2016 FORD TAURUS LIMITED Vehicle Description

Experience a well-equipped 2016 Ford Taurus Limited, a used sedan that combines comfort, performance, and advanced features. With 113,045 miles on the odometer, this vehicle boasts a sophisticated brown exterior and a spacious interior with leather seats, heated and cooled for year-round comfort. The Taurus Limited offers keyless entry, push-start ignition, memory seats, and Bluetooth connectivity, making every drive more convenient. Its 3.5-liter V6 engine delivers 288 horsepower at 6,500 rpm and 254 lb-ft of torque at 4,000 rpm, paired with an automatic transmission and all-wheel drive for confident handling. This sedan achieves an estimated 17 mpg city and 24 mpg highway, balancing power and efficiency in a stylish package designed to meet your daily needs. This used Ford Taurus comes loaded with safety and security features aimed at protecting you and your passengers. Rear parking sensors and four-wheel anti-lock brakes enhance maneuverability, while cornering brake control adds stability on sharp turns. Auto-locking power door locks and a programmable safety key provide added security, ensuring peace of mind on every trip. The vehicle also includes an anti-lockout feature, making it easier to secure entry, and offers quick access with power door locks that lock automatically for convenience and safety. 2016 FORD TAURUS Safety and Security Features The Taurus Limited is equipped with rear parking sensors to assist with parking and obstacle detection. It features four-wheel anti-lock brakes for enhanced stopping power and stability. Power door locks include anti-lockout protection and auto-locking functions to prevent accidental lockouts and improve security. Cornering brake control optimizes braking performance during turns, while a programmable safety key allows customized security settings for added peace of mind. 2016 FORD TAURUS Entertainment and Technology Features Entertainment and connectivity are prioritized with an 8-inch touch screen infotainment system, which supports voice-operated radio and hands-free phone calls for safer communication. The vehicle includes seven speakers for premium sound quality and auxiliary audio input through USB, allowing seamless music playback. Electronic messaging assistance with a read function simplifies staying connected on the go, making every drive more enjoyable and convenient. 2016 FORD TAURUS Performance Features Performance is enhanced with a front limited slip differential, providing better traction and handling in various driving conditions. The Taurus Limited features on-demand four-wheel drive, offering a balance of power and efficiency suited for different terrains and weather scenarios. These features deliver a smooth, controlled ride, combining power and stability for confident driving.
