2016 CHEVROLET SILVERADO 2500 HIGH COUNTRY Vehicle Description

Discover the 2016 Chevrolet Silverado 2500 High Country, a used pickup truck built for power and comfort. With its striking White Diamond Tricoat exterior and robust 6.6-liter Turbo Diesel V8, this Silverado delivers impressive performance with 397 horsepower and 765 lb-ft of torque. Equipped with a 4WD drivetrain and an automatic transmission, it's ready to handle demanding jobs and tough terrains. Inside, this model offers seating for five with heated and memory seats, ensuring driver and passenger comfort. Its advanced features include a backup camera, Bluetooth connectivity, fog lights, navigation system, premium audio, satellite radio readiness, a WiFi hotspot, and wireless phone charging, making every drive convenient and enjoyable. Whether for work or leisure, this used Silverado 2500 High Country combines durability with modern tech to meet your needs. The vehicle boasts a suite of safety and security features designed to provide peace of mind. Front and rear parking sensors help with maneuvering in tight spaces, while 4-wheel anti-lock brakes (ABS) enhance stopping power. The truck's auto-locking power door locks and anti-lockout system prevent accidental lock-ins, adding to security. These features make the Silverado a reliable choice for both daily driving and heavy-duty tasks, ensuring safety is always a priority. 2016 CHEVROLET SILVERADO 2500 Safety and Security Features This Silverado is equipped with front and rear parking sensors to assist with parking and obstacle detection. It also features 4-wheel ABS, providing better control during braking. The anti-lock power door locks prevent lockouts, and the auto-locking feature adds an extra layer of security, making this truck a safe option for all situations. 2016 CHEVROLET SILVERADO 2500 Entertainment and Technology Features Stay connected with hands-free voice-operated phone call integration and a voice-operated radio system. The truck includes HD radio for clear sound, an 8-inch infotainment touchscreen, and a touch screen display for easy navigation. Six speakers, including a subwoofer, deliver quality sound, while USB auxiliary inputs provide multiple options for audio. Connected in-car apps and electronic messaging assistance with read functions enhance convenience on the road. 2016 CHEVROLET SILVERADO 2500 Performance Features The Silverado's performance features include an electronic hi-lo 4WD selector for versatile driving modes and a locking differential at the rear, ensuring maximum traction when needed. Its part-time 4WD system allows drivers to switch between 2WD and 4WD, optimizing power and efficiency based on terrain and load requirements. This truck is built to handle demanding work and off-road adventures with ease.
