2018 JEEP COMPASS LATITUDE Vehicle Description

This 2018 Jeep Compass Latitude offers a versatile and dependable SUV experience with a stylish red exterior that stands out on the road. Weighing just 0.9904, this used vehicle combines efficiency with performance, featuring a 2.4-liter naturally aspirated four-cylinder engine that delivers 180 horsepower at 6400 RPM and 175 lb-ft of torque at 3900 RPM. Equipped with a smooth automatic transmission and 4WD drivetrain, it ensures confident handling across various terrains. With 64,059 miles on the clock, this vehicle is ready for adventure, offering modern features like a backup camera, Bluetooth connectivity, keyless entry, and push start for convenience and security. Its five-passenger capacity and four doors make it a practical choice for families or daily commutes, all wrapped in a striking red exterior that enhances its bold presence. This used Jeep Compass Latitude combines comfort and technology to enhance every drive. Inside, you'll find a voice-operated touchscreen radio system and six speakers that deliver clear sound, complemented by USB and iPod/iPhone auxiliary inputs for your favorite playlists. Electronic messaging assistance with read and voice-operated functions keeps you connected safely on the go. The vehicle's safety features include a driver knee airbag, dual front active head restraints, four-wheel ABS, auto-locking power door locks, brake drying, and an electronic parking brake, providing peace of mind for drivers and passengers alike. Its balanced blend of entertainment, connectivity, and safety makes this SUV a compelling choice for those seeking reliability and modern amenities. 2018 JEEP COMPASS Safety and Security Features This Jeep Compass is equipped with essential safety features including knee airbags for the driver and active head restraints for dual front seats, enhancing occupant protection. The four-wheel ABS ensures reliable braking in various conditions, while auto-locking power door locks add an extra layer of security. Brake drying helps maintain braking performance in wet conditions, and an electronic parking brake offers ease of use, making this vehicle a secure and confident choice for everyday driving. 2018 JEEP COMPASS Entertainment and Technology Features The Compass Latitude includes a touch screen display radio system that is voice operated for ease of use, along with six total speakers for quality sound. Electronic messaging assistance with read and voice functions ensures you stay connected safely while on the road. Connectivity options include USB auxiliary audio input and compatibility with iPod/iPhone devices, allowing seamless integration with your preferred media and ensuring entertainment is always at your fingertips. 2018 JEEP COMPASS Performance Features This Jeep Compass features an electronic 4WD selector for simple terrain adjustments and a rear locking differential to improve traction in challenging conditions. Its on-demand 4WD system offers versatility, switching between two-wheel and four-wheel drive as needed for optimal performance and stability. These features make the vehicle capable across diverse driving environments, combining efficiency with dependable handling.
