2008 FORD ESCAPE XLS Vehicle Description

Discover the 2008 Ford Escape XLS, a reliable and versatile SUV designed to meet your daily driving needs. With its sleek Silver Birch Clearcoat Metallic exterior, this used model offers a stylish yet practical choice for families or commuters. Powered by a 2.3-liter four-cylinder engine producing 153 horsepower and 152 torque, it provides a smooth ride with an efficient gasoline engine. The automatic transmission and front-wheel drive make driving effortless, whether navigating city streets or hitting the highway. Seating five comfortably, this SUV combines ample space with manageable size, making it ideal for both urban and outdoor adventures. Weighing approximately 0.4090 tons, it balances performance with fuel economy, offering a dependable used vehicle option at an affordable price point. This 2008 Ford Escape XLS is built for safety and security, ensuring peace of mind on every journey. It is equipped with four-wheel anti-lock braking system (ABS), which enhances stopping power and stability during emergency maneuvers. Additionally, the vehicle features power door locks, providing convenience and security for all occupants. As a used vehicle, it has been maintained to provide dependable performance while offering a cost-effective way to own a capable SUV. Whether you're looking for a vehicle for daily commutes or weekend getaways, this Escape offers the right mix of practicality, safety, and style to meet your needs. 2008 FORD ESCAPE Safety and Security Features The 2008 Ford Escape XLS comes equipped with four-wheel ABS, helping to prevent wheel lockup during sudden stops and improving overall stability. Power door locks add an extra layer of security, allowing you to easily lock and unlock all doors from inside the vehicle. These features enhance driver confidence and occupant safety, making this SUV a smart choice for those seeking a dependable used vehicle with essential safety systems in place.
