2018 NISSAN MAXIMA 3.5S Vehicle Description

Discover the 2018 Nissan Maxima 3.5S, a stylish sedan that combines performance, comfort, and advanced features. With a sleek gray exterior and a well-maintained condition, this used Maxima has accumulated 68,175 miles, offering a reliable ride powered by a 3.5-liter V6 engine producing 300 horsepower at 6,400 rpm and 261 lb-ft of torque at 4,400 rpm. Its CVT automatic transmission and front-wheel drive deliver smooth handling and impressive fuel efficiency, with 21 mpg in the city and 30 mpg on the highway. The Maxima's spacious four-door design comfortably seats five, making it ideal for daily commutes or longer trips. Additional upgrades include premium paint, a premium rear spoiler, splash guards, rocker panel moldings, and exterior ground lighting, enhancing both style and practicality. Inside, enjoy the premium interior illuminated by an extensive lighting package with 20 color options, complemented by carpeted floor mats, a trunk net, and a first aid kit. The vehicle comes equipped with modern conveniences such as Apple CarPlay, Bluetooth, a backup camera, collision warning, fog lights, keyless entry, navigation, push start, and satellite radio readiness, ensuring a connected, safe, and enjoyable driving experience. This used Nissan Maxima also offers a comprehensive suite of safety features. It is equipped with four-wheel anti-lock braking system (ABS) for enhanced stopping performance, anti-lockout power door locks for added security, and auto-locking door locks that activate during driving, providing peace of mind for all passengers. The Maxima's safety systems are designed to protect and secure everyone on board, making it a dependable choice for daily driving and long-distance travel. 2018 NISSAN MAXIMA Safety and Security Features The Maxima features 4-wheel ABS for reliable braking, anti-lockout power door locks to prevent accidental lock-ins, and auto-locking door locks that engage automatically when driving, ensuring safety and security for all occupants. 2018 NISSAN MAXIMA Entertainment and Technology Features Equipped with an 8-inch infotainment touchscreen, the Maxima offers a DVD navigation system with real-time traffic data for effortless routes. It supports voice-operated hands-free calling and radio, including HD radio for crystal-clear sound. The vehicle features a 6-disc in-dash CD player, eight total speakers, and a touch screen display, providing a rich audio experience. Additionally, the Maxima includes electronic messaging assistance with a read function, keeping drivers connected and informed on the go.
