2024 DODGE HORNET R/T PLUS Vehicle Description

Discover the 2024 Dodge Hornet R/T PLUS, a stylish and versatile SUV that combines performance, technology, and safety in a sleek Blue Steele exterior. This used model has logged 18,923 miles and features a turbocharged 1.3-liter four-cylinder engine delivering 288 horsepower and 383 lb-ft of torque, paired with an automatic transmission and all-wheel drive. Designed for comfort and convenience, it seats five with heated and memory seats, a sunroof/moonroof, and keyless entry. Advanced driver assistance systems include adaptive cruise control, blind spot monitor, lane keep assist, collision warning, cross traffic alert, backup camera, and wireless phone charging. Apple CarPlay, Bluetooth, a premium audio system with 13 speakers, satellite radio, navigation, and WiFi hotspot ensure entertainment and connectivity on every trip. This used Dodge Hornet offers a blend of safety, security, and tech features to enhance your driving experience. It is equipped with Brembo premium brakes for superior stopping power and traffic sign recognition with adaptive speed limiting to help manage speed limits. Driver safety is bolstered by knee airbags and rear parking sensors, while four-wheel ABS, emergency braking preparation, auto-locking power door locks, auto-off electronic parking brake, brake drying, and anti-lockout locks provide peace of mind. The vehicle's safety package ensures reliability and confidence on the road, making it a smart choice for drivers seeking a capable and secure SUV. 2024 DODGE HORNET Safety and Security Features This Hornet is equipped with Brembo premium brakes for optimal stopping power, traffic sign recognition with adaptive speed limit control, and driver knee airbags for added safety. Rear parking sensors assist with parking precision, while four-wheel ABS ensures stable braking. Emergency braking preparation enhances collision avoidance, and auto-locking power door locks prevent unauthorized entry. The vehicle also features auto-off electronic parking brake, brake drying technology for wet conditions, and anti-lockout locks, providing comprehensive security and safety for everyday driving. 2024 DODGE HORNET Entertainment and Technology Features The Hornet's infotainment system includes a 10.25-inch touch screen with HD radio, offering real-time traffic updates and voice-operated radio for seamless control. The premium sound system boasts 465 watts and 13 speakers, including a subwoofer, delivering rich audio quality. Dodge Connect compatibility allows for smart device integration, and hands-free phone calls are voice-operated for convenience. The system's intuitive interface and connectivity options ensure entertainment and communication are always within reach, making every drive enjoyable. 2024 DODGE HORNET Performance Features This SUV features auto start/stop technology to improve fuel efficiency and reduce emissions. Its lithium-ion battery powers an electric motor that provides additional torque and efficiency. The Hornet's on-demand all-wheel drive system ensures optimal traction and stability across varying road conditions, making it a versatile choice for daily driving and adventures alike.
