2016 FORD FLEX SEL Vehicle Description

Discover the 2016 Ford Flex SEL, a versatile used SUV designed to meet your family and lifestyle needs. With a sleek gray exterior and a spacious interior, this vehicle offers seating for seven across four doors, making it ideal for both daily commutes and weekend adventures. Powered by a 3.5-liter V6 engine producing 287 horsepower at 6,500 RPM and 254 lb-ft of torque at 4,000 RPM, it delivers reliable performance with an automatic transmission and front-wheel drive. With a weight of 0.6943, it balances efficiency and power, achieving an estimated 16 mpg in the city and 23 mpg on the highway. Equipped with comfort features such as heated seats, push start, and a backup camera, the Flex also includes modern conveniences like Bluetooth connectivity and satellite radio readiness, ensuring a connected and enjoyable ride. This used Ford Flex SEL boasts a range of safety and security features to keep you protected. Rear parking sensors help with precise parking, while 4-wheel ABS provides enhanced stopping power. The vehicle is fitted with auto-locking power door locks and anti-lockout systems to prevent unwanted access issues. For added safety, it features a programmable safety key, allowing customized security settings. These elements combine to offer peace of mind for drivers and passengers alike, making this SUV a reliable choice for daily driving and family outings. 2016 FORD FLEX Safety and Security Features The vehicle is equipped with rear parking sensors to assist with parking and maneuvering. It has 4-wheel ABS for improved braking performance in various conditions. Power door locks include anti-lockout features and auto-locking functionality for added security. A programmable safety key allows owners to set personalized safety parameters, enhancing overall vehicle security and safety management. 2016 FORD FLEX Entertainment and Technology Features The Ford Flex SEL offers advanced entertainment and connectivity options, including voice-operated hands-free phone call integration and a 6-speaker audio system for clear sound quality. An 8-inch infotainment screen features a touch screen display and front video monitor, providing easy access to media and navigation. The vehicle supports voice-operated and touch screen radio controls, along with auxiliary USB audio input, ensuring versatile media options. Electronic messaging assistance with read and voice-operated functions keeps you connected safely on the go, making every journey enjoyable and convenient.
