2019 MERCEDES-BENZ GLC 300 4MATIC Vehicle Description

This used 2019 Mercedes-Benz GLC 300 4MATIC stands out as a versatile luxury SUV with a sophisticated Silver Grey exterior. Powered by a turbocharged 2.0-liter four-cylinder engine delivering 241 horsepower at 5550 RPM and 273 lb-ft of torque at 1300 RPM, it offers a dynamic driving experience. With a curb weight of 0.5316 and equipped with an automatic transmission and all-wheel drive, this vehicle balances performance and efficiency, achieving 22 MPG in the city and 27 MPG on the highway. The GLC's stylish four-door design comfortably seats five, making it ideal for family or daily commuting needs. Despite its used status, it has maintained excellent condition with 68,736 miles, making it a reliable choice for those seeking luxury and performance in a versatile package. Enhancing its appeal are features like a backup camera, Bluetooth connectivity, collision warning, heated seats, memory seats, and a push-to-start system, providing modern convenience and safety. Its sleek exterior complemented by standard Silver paint exudes sophistication, while the well-appointed interior ensures comfort for all occupants. This Mercedes-Benz GLC combines luxury, technology, and practicality, making it an excellent option for drivers who demand style without sacrificing function. 2019 MERCEDES-BENZ GLC Safety and Security Features This vehicle is equipped with essential safety features including knee airbags for the driver and four-wheel ABS for stopping power. Emergency braking preparation and cornering brake control enhance collision avoidance, while auto-locking power door locks improve security. Brake drying ensures optimal braking performance in wet conditions, complemented by an electronic parking brake with auto-off for added convenience and safety. 2019 MERCEDES-BENZ GLC Entertainment and Technology Features The GLC offers a range of modern entertainment and connectivity options, including Mercedes me compatibility for smart device app integration. It features a Wi-Fi hotspot, voice-operated HD radio, and a 7-inch infotainment screen. The system supports engine start and cabin preconditioning via apps, along with hands-free phone call integration. Six speakers and a USB auxiliary input provide quality audio, ensuring a connected and enjoyable driving experience. 2019 MERCEDES-BENZ GLC Performance Features Performance is enhanced by auto start/stop technology, which improves fuel efficiency. A limited-slip center differential provides better traction, especially in challenging conditions. The GLC operates with full-time four-wheel drive, offering confident handling and stability across various terrains. These features combine to deliver a balanced, responsive driving experience in every journey.
