2016 HONDA PILOT TOURING Vehicle Description

Discover the 2016 Honda Pilot Touring, a versatile used SUV designed for families and adventure seekers alike. This 8-passenger vehicle features a sleek gray exterior and a robust 3.5-liter V6 engine delivering 280 horsepower and 262 lb-ft of torque, paired with a smooth automatic transmission and standard AWD. With 68,346 miles on the odometer, it offers a reliable and spacious ride perfect for daily commuting or weekend getaways. Equipped with premium features like a sunroof, third-row seating, heated seats, and a rear A/C, this Pilot combines comfort with practicality. Advanced safety and convenience amenities such as adaptive cruise control, backup camera, blind spot monitor, lane keep assist, collision warning, keyless entry, push start, Bluetooth, and navigation make every drive safer and more engaging. The vehicle's stylish gray exterior is complemented by fog lights and a premium audio system, including satellite radio readiness and a rear-mounted video monitor, creating an enjoyable driving experience for everyone onboard. This used Honda Pilot Touring stands out with a comprehensive suite of safety and security features. Front and rear parking sensors enhance parking confidence, while 4-wheel ABS and cornering brake control provide stability during abrupt stops or sharp turns. Anti-lock power door locks prevent lockouts, and auto-locking locks add security when the vehicle is in motion. These features work together to ensure peace of mind for drivers and passengers, making this SUV a dependable choice for everyday use and long trips alike. Entertainment and technology are front and center in this Pilot. It boasts a rear Blu-Ray and DVD player to keep passengers entertained on long drives, complemented by a high-powered 540-watt audio system with nine speakers and a rear video monitor. Hands-free voice-operated phone call integration and a voice-controlled radio simplify connectivity and entertainment, while auxiliary HDMI input allows easy device connection. Pandora internet radio provides endless streaming options, making every journey enjoyable and connected. Performance features enhance the Pilot's capability and efficiency. The vehicle is equipped with auto start/stop technology that helps improve fuel economy by shutting off the engine during idling. Cylinder deactivation further enhances efficiency by turning off cylinders when full power isn't needed. The on-demand 4WD system adapts seamlessly to varying road conditions, providing stability and control whether on highway or off-road terrain. 2016 HONDA PILOT Safety and Security Features This Honda Pilot offers essential safety features including front and rear parking sensors for easier maneuvering, along with four-wheel ABS and cornering brake control to maintain stability during braking. Anti-lock power door locks prevent lockouts, while auto-locking locks secure the vehicle once underway. These safety measures work together to protect occupants and ensure peace of mind during every drive. 2016 HONDA PILOT Entertainment and Technology Features Entertainment and connectivity are well covered with a rear Blu-Ray and DVD player, along with a 540-watt audio system featuring nine speakers and a rear video monitor. Hands-free voice-operated phone calls and radio enhance convenience, while auxiliary HDMI input offers easy connection to external devices. Pandora internet radio keeps entertainment options endless, providing a dynamic driving experience for all passengers.
