2021 FORD EXPEDITION LIMITED Vehicle Description

Discover the 2021 Ford Expedition Limited, a versatile used SUV designed to meet your family and adventure needs. With just under 98,000 miles, this sleek black vehicle combines power, comfort, and advanced technology. Its 3.5-liter twin-turbo V6 engine delivers 375 horsepower and 470 lb-ft of torque, ensuring confident performance on any road. Equipped with a 4WD system and an automatic transmission, this Expedition offers smooth handling and stability. Inside, you'll find seating for eight across spacious third-row seats, heated and rear heated seats, and rear A/C for passenger comfort. Modern conveniences include adaptive cruise control, Apple CarPlay, a backup camera, blind spot monitor, Bluetooth, collision warning, cross traffic alert, fog lights, a hands-free liftgate, keyless entry, memory seats, navigation, parking sensors and assist, premium audio, push start, satellite radio readiness, WiFi hotspot, and wireless phone charging, providing a seamless driving experience. This used Ford Expedition is packed with safety features that prioritize your security. Front and rear parking sensors help with precise maneuvering, while four-wheel ABS enhances braking performance. An interior motion sensor anti-theft system and anti-tow sensor offer added security, complemented by power door locks with anti-lockout and auto-locking functions. Rear camera system washer and programmable safety key assist in safe operation, alongside off-road hill descent control for challenging terrain. These features make this SUV a reliable choice for daily driving or off-road adventures. 2021 FORD EXPEDITION Safety and Security Features This vehicle offers comprehensive safety with front and rear parking sensors, four-wheel ABS, an interior motion sensor anti-theft system, anti-tow sensor, power door locks with anti-lockout and auto-locking, rear camera system washer, programmable safety key, and hill descent control. These elements work together to enhance safety, prevent theft, and assist in difficult driving conditions, making it a secure choice for families and adventurous drivers alike. 2021 FORD EXPEDITION Entertainment and Technology Features Enjoy premium sound with 1100 watts and a total of 11 speakers, delivering clear, powerful audio throughout the cabin. FordPass Connect enables smartphone app compatibility for engine start and cabin preconditioning, adding convenience. The 8-inch touchscreen display provides easy access to radio, HD radio, and voice-operated functions, including hands-free phone calls. A subwoofer enhances audio depth, ensuring an immersive entertainment experience on every trip. 2021 FORD EXPEDITION Performance Features This SUV features auto start/stop technology to improve fuel efficiency and reduce emissions. The electronic hi-lo 4WD selector allows for versatile traction control, while the part-time 4WD system with on-demand setting adapts to various driving conditions. These performance features combine to deliver confident handling, whether on city streets or off-road trails.
