## 2019 GMC ACADIA DENALI Vehicle Description

Discover the 2019 GMC Acadia Denali, a versatile SUV that combines luxury, technology, and performance in a stylish package. With a striking Red Quartz Tintcoat exterior, this used vehicle offers a sophisticated look and a smooth ride powered by a 3.6-liter V6 engine delivering 310 horsepower at 6600 RPM and 271 lb-ft of torque at 5000 RPM. Weighing just 0.2916, it features an automatic transmission and all-wheel drive, making it a reliable choice for both city driving and off-road adventures. This SUV seats six comfortably with three rows, includes convenient features like a hands-free liftgate, keyless entry, and memory seats, and boasts fuel efficiency of 17 mpg in the city and 25 mpg on the highway. It's loaded with advanced amenities such as Apple CarPlay, a backup camera, blind spot monitor, Bluetooth, collision warning, cross traffic alert, fog lights, heated seats, navigation, premium audio, rear A/C, rear heated seats, satellite radio readiness, and a tow package, ensuring a premium driving experience for every journey. This used GMC Acadia Denali is equipped with a suite of safety and security features designed to protect you and your passengers. It includes a rear seat reminder, front airbags with a center placement, knee airbags for the driver, front and rear parking sensors, 4-wheel ABS, anti-lockout power door locks, auto-locking doors, and a programmable safety key, all aimed at providing peace of mind on the road. Its comprehensive safety system underscores GMC's commitment to security and driver confidence, making it a dependable choice for families and daily commuters alike. 2019 GMC ACADIA Safety and Security Features This model features a rear seat reminder to alert you if passengers are left behind, front airbags positioned centrally, and knee airbags for the driver to enhance crash protection. Parking sensors at the front and rear aid in tight spaces, while 4-wheel ABS ensures stable braking under various conditions. Power door locks include anti-lockout and auto-locking functions, adding convenience and security. A programmable safety key allows for customized access and safety settings, further safeguarding your vehicle. 2019 GMC ACADIA Entertainment and Technology Features The Acadia Denali offers an 8-inch infotainment touchscreen with a voice-operated radio system for intuitive control. It supports smart device app compatibility through myGMC with Connected Access, allowing seamless smartphone integration. The vehicle includes internet radio via Pandora, a premium sound system with a subwoofer and seven speakers, and access to app marketplace integration for connected in-car apps. Electronic messaging assistance, both read and voice-operated, keeps you connected safely on the go, making every drive entertaining and connected. 2019 GMC ACADIA Performance Features This SUV features an electronic 4WD selector with a part-time 4WD system, providing adaptable traction for various road conditions. Cylinder deactivation technology helps improve fuel efficiency without sacrificing power, ensuring a balanced performance. These features make the Acadia Denali a capable and responsive vehicle suited for diverse driving environments.
