2016 CHEVROLET TAHOE 1500 LTZ Vehicle Description

Discover this used 2016 Chevrolet Tahoe 1500 LTZ, a full-size SUV that combines luxury, versatility, and advanced technology. With a sleek black exterior and a spacious three-row design, this vehicle offers seating for seven and a robust 5.3L V8 engine delivering 355 horsepower and 383 lb-ft of torque. Equipped with a smooth automatic transmission and 4WD, it's ready for on- and off-road adventures. Loaded with features like cooled and heated leather seats, a hands-free liftgate, and memory seat settings, this Tahoe ensures comfort on every journey. Stay connected with Bluetooth, a premium audio system with surround sound, satellite radio, and a Wi-Fi hotspot. Its navigation system, push start, rear A/C, rear heated seats, wireless phone charging, and Xenon headlights make it a true command center on wheels. Additional safety tech includes a backup camera, blind spot monitor, collision warning, lane keep assist, cross traffic alert, and fog lights, making it a secure choice for families and drivers alike. This 2016 Chevrolet Tahoe combines luxury with safety, offering advanced security features to protect you and your passengers. It has front center airbags for added crash protection, plus front and rear parking sensors to assist with parking in tight spaces. The vehicle's 4-wheel ABS ensures stability and control during emergency stops, while anti-lockout power door locks prevent lockouts and provide quick access. Auto-locking door locks add an extra layer of security, making this Tahoe a dependable choice for daily driving and long trips alike. 2016 CHEVROLET TAHOE Safety and Security Features This Tahoe prioritizes safety with front center airbags, front parking sensors, rear parking sensors, and four-wheel ABS to enhance control. Anti-lockout power door locks prevent lock-ins, and auto-locking door locks secure the vehicle automatically to keep everyone safe during transit. 2016 CHEVROLET TAHOE Entertainment and Technology Features Enjoy entertainment with a voice-operated radio system complemented by HD radio and surround sound 7.1 for immersive audio. The 8-inch touchscreen display provides an intuitive interface, while nine total speakers, including a subwoofer, deliver quality sound. Auxiliary inputs via USB and iPod/iPhone allow seamless device connectivity, making every drive enjoyable. 2016 CHEVROLET TAHOE Performance Features This Tahoe features an active suspension system with magnetic ride control, allowing for smooth handling across various terrains. Driver-adjustable ride control lets you customize the driving experience, while the part-time on-demand 4WD system with electronic selector ensures optimal traction. The vehicle also includes a rear locking differential and cylinder deactivation technology, enhancing efficiency and performance under different driving conditions.
