2018 TOYOTA CAMRY SE Vehicle Description

This 2018 Toyota Camry L sedan offers a reliable and efficient driving experience with its proven 2.5-liter four-cylinder engine, delivering 203 horsepower and 184 lb-ft of torque. With an automatic transmission and front-wheel drive, this used vehicle combines smooth handling with impressive fuel economy—29 mpg in the city and 41 mpg on the highway. Its sleek black exterior complements its practical design, seating five comfortably across four doors. Weighing in at 0.8852, this well-maintained sedan features advanced driver assistance systems like adaptive cruise control, a backup camera, collision warning, and lane keep assist, making every trip safer and more convenient. This vehicle's standard safety features include dual front knee airbags, four-wheel ABS, and auto-locking power door locks, ensuring security and peace of mind. The 2018 Toyota Camry L is equipped with modern technology including Bluetooth for hands-free calling, a voice-operated radio, and a 7-inch touchscreen infotainment system. It also supports real-time traffic navigation data and electronic messaging assistance with both voice operation and read functions. Entertainment is enhanced by six speakers, internet radio apps like Pandora and iHeartRadio, and a touch screen display that makes accessing your favorite media seamless. 2018 TOYOTA CAMRY Safety and Security Features Knee airbags - dual front, ABS - 4-wheel, and auto-locking power door locks provide essential safety and security for drivers and passengers, helping to protect against impact and unauthorized entry. 2018 TOYOTA CAMRY Entertainment and Technology Features This Camry includes Bluetooth voice-operated phone call integration, a voice-operated radio, and a 7-inch touch screen infotainment display. It features internet radio apps Pandora and iHeartRadio, real-time traffic navigation, and electronic messaging assistance with both voice and read functions. The system is complemented by six speakers, enhancing the driving experience with clear, immersive sound.
