2019 GMC CANYON DENALI Vehicle Description

This used 2019 GMC Canyon Denali offers a compelling balance of power, technology, and utility, making it an ideal choice for drivers seeking reliability and style. With its sleek black exterior and 4WD capability, this pickup is built to handle a variety of terrains and weather conditions. Equipped with a 3.6-liter V6 engine producing 308 horsepower and 275 lb-ft of torque, it delivers confident performance for both work and leisure. Inside, the Canyon Denali features heated seats, a premium audio system, and advanced connectivity options like Apple CarPlay, Bluetooth, and a Wi-Fi hotspot. The truck also boasts a host of safety features, including collision warning and a backup camera, ensuring peace of mind on every trip. With just over 83,700 miles, this reliable used vehicle combines efficiency with comfort, offering city MPG of 17 and highway MPG of 24, making it a versatile choice for daily driving and weekend adventures. This 2019 GMC Canyon Denali is designed with modern technology and convenience in mind. It features an 8-inch touchscreen infotainment system with HD radio and a touch screen display, providing easy access to navigation, SiriusXM satellite radio, and in-car apps through the marketplace integration. The system supports voice-activated commands for hands-free phone calls and radio control, enhancing safety on the road. The vehicle's smart device app compatibility with myGMC Connected Access allows seamless integration with your smartphone, while the premium audio system with seven speakers delivers clear, immersive sound. Additional amenities include wireless phone charging and electronic messaging assistance with a read function, ensuring you stay connected and informed during every drive. 2019 GMC CANYON Safety and Security Features This used truck is equipped with essential safety features including rear parking sensors and a rear seat reminder to prevent accidental oversight. It features 4-wheel ABS to enhance braking control and anti-lockout power door locks for added security. The auto-locking feature on the locks provides extra safety when driving, while a programmable safety key allows customization of security settings, helping prevent theft and unauthorized use. 2019 GMC CANYON Entertainment and Technology Features The vehicle is fitted with an 8-inch infotainment screen that supports navigation via DVD and HD radio for a rich audio experience. It is compatible with myGMC Connected Access, enabling smart device app integration for remote control and vehicle monitoring. Hands-free voice-operated phone call and radio functions allow drivers to stay focused on the road. The system's touch screen display, combined with seven speakers, delivers sharp sound quality, while connected in-car apps expand entertainment options. Electronic messaging assistance with a read function keeps drivers connected without distraction, making every journey safer and more enjoyable. 2019 GMC CANYON Performance Features This used GMC Canyon Denali features an electronic hi-lo 4WD selector, allowing drivers to switch between two-wheel and four-wheel drive modes easily. Its part-time 4WD system with an on-demand setting ensures optimal traction and control in changing conditions. The rear locking differential enhances off-road capability and stability, making this truck ready for challenging terrains or tough work environments. Overall, these performance features combine to provide a confident, controlled driving experience in this versatile pickup.
