2016 CADILLAC ATS LUXURY Vehicle Description

This 2016 Cadillac ATS Luxury sedan combines refined style with impressive performance, making it an excellent choice for drivers seeking luxury and practicality. With a sleek Black Raven exterior and a well-maintained used condition, this vehicle has logged 77,830 miles and offers a powerful 2.0-liter turbocharged four-cylinder engine that delivers 272 horsepower at 5,500 rpm and 295 lb-ft of torque at 3,000 rpm. Equipped with all-wheel drive and an automatic transmission, it provides confident handling across various road conditions. Inside, the cabin features leather seats with memory function, keyless entry, push start, and a WiFi hotspot, ensuring convenience and connectivity. Modern features like Apple CarPlay, Bluetooth, satellite radio readiness, wireless phone charging, and a premium audio system with an 8-inch infotainment display make every drive enjoyable and connected. This used Cadillac ATS offers a blend of safety, technology, and performance designed for a confident driving experience. Its safety features include premium Brembo brakes for reliable stopping power, dual front knee airbags, front and rear parking sensors, 4-wheel ABS, and anti-lock power door locks to prevent lockouts. The vehicle's advanced technology suite includes HD radio, Pandora internet radio app, a responsive 8-inch infotainment screen, seven speakers, and auxiliary inputs for USB and iPod/iPhone devices, ensuring entertainment on every journey. The sporty tuned suspension enhances handling, complemented by features like auto start/stop for fuel efficiency and on-demand four-wheel drive for added traction, making this Cadillac ATS a versatile and stylish choice. 2016 CADILLAC ATS Safety and Security Features This model is equipped with premium Brembo brakes for superior stopping power, dual front knee airbags for added occupant protection, front parking sensors to assist with tight maneuvers, rear parking sensors for enhanced safety, 4-wheel ABS to prevent wheel lockup during braking, and anti-lock power door locks to avoid lockouts, ensuring a safe and secure driving environment. 2016 CADILLAC ATS Entertainment and Technology Features Entertainment and connectivity are prioritized with HD radio for crystal-clear audio, Pandora internet radio app for personalized music, an 8-inch infotainment screen for easy access, and seven speakers delivering immersive sound. The system includes auxiliary inputs via USB and iPod/iPhone compatibility, along with electronic messaging assistance with a read function, keeping you entertained and informed on every trip. 2016 CADILLAC ATS Performance Features Performance features include auto start/stop technology to improve fuel efficiency, a sport-tuned suspension for responsive handling, and on-demand all-wheel drive for enhanced traction and stability in various conditions. These elements combine to offer a dynamic yet comfortable driving experience.
