2021 RAM 1500 BIG HORN/LONE STAR Vehicle Description

This used 2021 RAM 1500 BIG HORN/LONE STAR offers a compelling blend of capability, comfort, and versatility. With a robust 5.7-liter V8 engine delivering 395 horsepower and 410 lb-ft of torque, this full-size pickup provides ample power for work or play. Its 4WD drivetrain and automatic transmission ensure smooth handling across diverse terrains, making it an excellent choice for those needing a dependable workhorse or a confident daily driver. The truck's white exterior gives it a clean, classic look, while features like a backup camera, Bluetooth connectivity, fog lights, push start, and a tow package enhance convenience and functionality. With 116,203 miles on the clock, this used RAM 1500 still offers impressive performance and durability, seating six comfortably across four doors, perfect for families or work crews alike. Designed for safety and technology, this RAM 1500 is equipped with essential features that prioritize driver confidence. Four-wheel ABS provides reliable stopping power, while emergency braking preparation and auto-locking power door locks add security. Brake drying and an electronic parking brake with auto-off further enhance safety during everyday driving. Inside, the truck boasts advanced entertainment options including voice-operated hands-free phone calls and a radio with a touch screen display. Six speakers and USB auxiliary inputs ensure a connected, enjoyable ride, complemented by electronic messaging assistance with read and voice-operated functions. These features make every journey more connected and entertaining, whether on a commute or a weekend adventure. 2021 RAM 1500 Safety and Security Features This truck features four-wheel ABS for stable braking, emergency braking preparation to assist in sudden stops, auto-locking power door locks for added security, brake drying to improve wet brake performance, and an electronic parking brake that automatically disengages when driving. These safety features work together to provide confidence behind the wheel, especially in unpredictable conditions. 2021 RAM 1500 Entertainment and Technology Features Equipped with voice-operated hands-free phone call integration and a radio with a touch screen display, this RAM 1500 keeps you connected and entertained on the go. Six speakers deliver clear audio, while auxiliary USB inputs expand media options. Electronic messaging assistance, both read and voice-operated, ensures you stay connected without distraction, making every drive more enjoyable and safe. 2021 RAM 1500 Performance Features This model offers an electronic hi-lo 4WD selector, allowing you to switch between high and low ranges for optimal traction. The 4WD system is part-time with an on-demand setting, giving you control over your drive mode based on terrain and conditions. These features enhance the truck's versatility and off-road capability, ensuring it performs well whether on the job site or on rough trails.
