2019 CHEVROLET TRAX PREMIER Vehicle Description

Discover the versatile 2019 Chevrolet Trax Premier, a stylish used SUV ready to elevate your daily drive. Finished in striking Silver Ice Metallic, this compact crossover combines practical features with advanced technology, making it an excellent choice for city commuting and weekend adventures. With only 83,431 miles on the odometer, the Trax Premier offers reliable performance powered by a turbocharged 1.4L four-cylinder engine that delivers 138 horsepower and 148 lb-ft of torque. Its automatic transmission and front-wheel drive system ensure smooth handling and efficient fuel economy, averaging 26 mpg in the city and 31 mpg on the highway. This vehicle comfortably seats five with four doors, making it perfect for families or those who need space without sacrificing style. Loaded with modern amenities, the Trax Premier features Apple CarPlay, Bluetooth, a backup camera, blind spot monitor, collision warning, cross traffic alert, fog lights, heated seats, keyless entry, premium audio, push start, satellite radio readiness, sunroof/moonroof, and Wi-Fi hotspot, providing a connected and comfortable driving experience. Designed with safety and security in mind, the 2019 Chevrolet Trax Premier is equipped with essential features to protect occupants and prevent accidents. Dual front knee airbags offer added protection in a collision, while rear parking sensors assist in tight spots. The vehicle's ABS system ensures stability during hard braking, and auto-locking power door locks combined with anti-lockout functions help secure the vehicle when parked. These systems work together to provide peace of mind for drivers and passengers alike, making every trip safer. 2019 CHEVROLET TRAX Safety and Security Features The safety features of the 2019 Chevrolet Trax Premier are comprehensive, starting with dual front knee airbags that provide additional protection in frontal impacts. Rear parking sensors help with maneuvering in tight spaces, alerting drivers to obstacles behind the vehicle. The four-wheel anti-lock braking system (ABS) enhances stopping power and stability during emergency braking maneuvers. Power door locks include anti-lockout functionality, preventing drivers from accidentally locking themselves out of the vehicle. Auto-locking features secure doors automatically when driving, adding an extra layer of security and convenience. 2019 CHEVROLET TRAX Entertainment and Technology Features The entertainment and technology suite in the 2019 Chevrolet Traax Premier is designed for connectivity and convenience. The vehicle features a voice-operated radio system, allowing easy control of audio functions without distraction. An infotainment touchscreen display, measuring 7 inches, serves as the central hub for media, navigation, and vehicle settings. The sound system includes six speakers and a dedicated subwoofer, delivering rich audio quality. Additional features include an electronic messaging assistance with a read function, voice-activated for hands-free communication, as well as access to internet radio apps like Pandora and Stitcher. A USB auxiliary input provides easy connection for personal devices, making every drive enjoyable and connected.
