2018 CHRYSLER 300 S Vehicle Description

Discover the 2018 Chrysler 300 S, a stylish and powerful sedan that combines luxury with everyday practicality. With just under 94,000 miles, this used vehicle boasts a sleek black exterior and a spacious interior featuring leather seats, heated comfort, and keyless entry for modern convenience. Its 3.6-liter V6 engine delivers a robust 300 horsepower at 6350 RPM, paired with an automatic transmission and all-wheel drive, ensuring confident handling in various conditions. The car comes equipped with Apple CarPlay, Bluetooth connectivity, satellite radio readiness, and a WiFi hotspot, making every drive connected and entertaining. The backup camera and push start system add to the effortless driving experience, while the combination of fuel efficiency—18 MPG city and 27 highway—makes it suitable for daily commuting and longer trips alike. This used Chrysler 300 S is packed with features designed to enhance comfort, safety, and entertainment. Inside, you'll find heated seats, a premium 8.4-inch touchscreen display, HD radio, and a voice-operated radio system, providing seamless access to your favorite media. The vehicle's smart device app compatibility through SiriusXM Guardian allows remote start and vehicle tracking for added security. Six speakers with 276 watts deliver clear sound, and auxiliary USB inputs keep your devices charged and ready. Whether you're cruising city streets or highway highways, this sedan offers a balanced mix of technology and convenience for an enjoyable driving experience. 2018 CHRYSLER 300 Safety and Security Features This vehicle is equipped with essential safety features including knee airbags for the driver and active head restraints for both front passengers. Four-wheel ABS provides reliable stopping power, while emergency braking preparation enhances safety during sudden stops. Power door locks with anti-lockout and auto-locking functions prevent unauthorized entry and accidental locking out, adding peace of mind. Brake drying ensures optimal braking performance in wet conditions, making this sedan a secure choice for daily use. 2018 CHRYSLER 300 Entertainment and Technology Features The Chrysler 300 S offers advanced tech amenities like SiriusXM Guardian compatibility, enabling remote vehicle control via a smart device app. The infotainment system features an 8.4-inch touchscreen with HD radio and a touch-sensitive interface for easy navigation. Voice-operated commands and electronic messaging assistance with read and voice functions keep you connected safely while on the move. The sound system delivers 276 watts across six speakers, providing rich audio quality, while auxiliary USB inputs ensure your devices stay charged and connected. 2018 CHRYSLER 300 Performance Features Designed for a dynamic driving experience, this sedan features a sport-tuned suspension that enhances handling and ride quality. Its on-demand all-wheel-drive system provides optimal traction and stability, whether you're navigating city streets or challenging road conditions. This combination of performance features ensures the Chrysler 300 S remains responsive, smooth, and capable in a variety of driving situations.
