2020 RAM 1500 BIG HORN/LONE STAR Vehicle Description

This used 2020 RAM 1500 BIG HORN/LONE STAR stands out as a robust pickup truck that offers both power and versatility. With just 67,900 miles on the odometer, this Gray exterior model combines a proven 5.7-liter V8 engine with a smooth automatic transmission and a 4WD drivetrain, making it ready to handle tough jobs and off-road adventures alike. Equipped with a tow package, fog lights, and a backup camera, it ensures safety and convenience for every drive. The spacious interior comfortably seats six, and modern features like Bluetooth and push start add to its appeal, making this RAM 1500 an excellent choice for those seeking a reliable, used truck with premium amenities. This 2020 RAM 1500 delivers impressive performance with 395 horsepower and 410 lb-ft of torque, optimized by its naturally aspirated V8 engine. Fuel efficiency remains practical for a truck of this capability, with 15 mpg in city driving and 21 mpg on highways. Its electronic hi-lo 4WD selector and part-time on-demand 4WD system provide flexibility across different terrains. The truck's condition, combined with its extensive features, makes it a compelling used option for drivers requiring strength, technology, and dependability in one package. 2020 RAM 1500 Safety and Security Features The truck is equipped with 4-wheel ABS to enhance braking control and safety in various conditions. Emergency braking preparation helps prepare the vehicle for sudden stops, while auto-locking power door locks add security when driving or parked. Brake drying technology improves braking performance in wet conditions, and the electronic parking brake with auto-off function ensures convenience and safety during parking maneuvers. 2020 RAM 1500 Entertainment and Technology Features This RAM 1500 offers a range of modern entertainment and connectivity features, including voice-operated hands-free phone call integration and a voice-operated radio system. Its touch screen display provides easy access to controls, while electronic messaging assistance with a read function and voice operation keeps drivers connected safely. The system's six speakers deliver clear sound, complemented by a USB auxiliary input for personalized playlists and devices. 2020 RAM 1500 Performance Features Performance-wise, this truck features an electronic hi-lo 4WD selector, allowing drivers to choose the appropriate drive mode with ease. Its part-time on-demand 4WD system offers versatility for different driving conditions, ensuring optimal traction whether on pavement or off-road. These features combine to provide a capable and adaptable driving experience in a used pickup that's built to perform.
