2020 DODGE DURANGO GT Vehicle Description

Discover the 2020 Dodge Durango GT, a versatile used SUV designed to meet your daily needs with style and reliability. Finished in a sleek Gray exterior, this three-row vehicle offers seating for seven and is equipped with a robust 3.6L V6 engine delivering 295 horsepower at 6,400 RPM and 260 lb-ft of torque at 4,000 RPM. With an automatic transmission and all-wheel drive, it provides confident handling whether navigating city streets or tackling rougher roads. This Durango boasts a fuel economy of 18 MPG city and 25 MPG highway, making it an efficient choice for family outings or daily commutes. Its 92,046 miles reflect careful use, and the SUV's features include Apple CarPlay, a backup camera, Bluetooth connectivity, keyless entry, push start, rear A/C, satellite radio readiness, and a third-row seat—perfect for accommodating passengers and enhancing convenience. This used Dodge Durango GT is packed with safety and entertainment features to enhance your driving experience. Safety begins with rear automatic emergency braking, rear parking sensors, and dual active head restraints, providing peace of mind on every trip. The vehicle is equipped with driver knee airbags, four-wheel ABS, emergency braking preparation, auto-locking power door locks, and brake drying to maximize security and control. Inside, the SUV offers a 7-inch infotainment touchscreen, voice-operated radio, and hands-free phone call integration, making communication simple and safe. The sound system includes six speakers, with auxiliary inputs via USB and iPod/iPhone, as well as electronic messaging assistance with read and voice operation functions, ensuring you stay connected and entertained on the go. 2020 DODGE DURANGO Safety and Security Features This Durango features a comprehensive suite of safety systems, including automatic emergency braking at the rear to prevent collisions, driver knee airbags, rear parking sensors, and dual active head restraints to protect occupants. The vehicle is equipped with four-wheel ABS, emergency braking preparation, auto-locking power door locks, and brake drying, all designed to enhance safety and control in various driving conditions. 2020 DODGE DURANGO Entertainment and Technology Features Entertainment and connectivity are prioritized with a 7-inch touchscreen infotainment system, voice-operated radio, and hands-free phone call integration, allowing seamless communication while on the move. The sound system comprises six speakers, complemented by auxiliary inputs through USB and iPod/iPhone connections. Electronic messaging assistance, with read and voice operation features, keeps you connected safely, making this Durango ideal for tech-savvy families. Performance Features Equipped with auto start/stop technology and full-time 4WD, this Durango balances power and efficiency. The auto start/stop system aids fuel economy by shutting off the engine during stops, while the full-time 4WD system ensures optimal traction and stability across different terrains and weather conditions, making it a capable and reliable SUV for any adventure.
