2023 JEEP GRAND CHEROKEE L LAREDO Vehicle Description

Experience the perfect blend of style, utility, and advanced technology with this 2023 Jeep Grand Cherokee L Laredo. This used SUV, finished in striking red, offers a commanding presence with just 26,318 miles on the odometer. Powered by a 3.6-liter V6 engine producing 293 horsepower and 260 lb-ft of torque, it delivers a smooth, confident drive with an automatic transmission and full-time 4WD. Designed for versatility, this SUV comfortably seats six across four doors, making it an ideal choice for family adventures or daily commutes. Its modern features include adaptive cruise control, Apple CarPlay, a backup camera, blind spot monitor, Bluetooth connectivity, collision warning, cross traffic alert, keyless entry, lane keep assist, push start, rear A/C, a third-row seat, and a Wi-Fi hotspot—ensuring safety, convenience, and entertainment at every turn.

This Jeep Grand Cherokee Laredo is packed with safety and security features to keep all occupants protected. It includes automatic emergency braking for rear collisions, a rear check of the rear seat reminder, dual front knee airbags, and rear parking sensors for easier maneuvering. The vehicle also benefits from four-wheel ABS, emergency braking preparation, auto-locking power door locks, brake drying, and an auto-off electronic parking brake—offering peace of mind in various driving conditions. Designed with safety as a priority, this SUV combines modern technology with essential security features to provide confidence on every trip.

2023 JEEP GRAND CHEROKEE Safety and Security Features

This SUV is equipped with automatic emergency braking at the rear, enhancing collision prevention. It features a rear check rear seat reminder, dual front knee airbags for added protection, and rear parking sensors that assist in tight spaces. The vehicle also includes four-wheel ABS for superior stopping power, emergency braking preparation, auto-locking power door locks for security, brake drying to improve braking in wet conditions, and an electronic parking brake with auto off to simplify parking maneuvers. These features collectively ensure a secure driving environment for all passengers.

2023 JEEP GRAND CHEROKEE Entertainment and Technology Features

The Jeep Grand Cherokee Laredo offers an 8.4-inch infotainment touchscreen with voice-activated radio and hands-free phone call integration, making connectivity seamless. SiriusXM Guardian compatibility allows remote control through a smart device app, while electronic messaging assistance with read and voice functions keeps you connected safely. The sound system includes six speakers, with auxiliary audio inputs via USB and iPod/iPhone compatibility, providing versatile options for your favorite entertainment on the go.

2023 JEEP GRAND CHEROKEE Performance Features

This SUV features an auto start/stop system that enhances fuel efficiency and reduces emissions. Its full-time 4WD system ensures optimal traction and stability across diverse driving conditions, making it a reliable choice for all terrains. Combining these performance features with a robust V6 engine, the Jeep Grand Cherokee Laredo delivers a balanced mix of power, efficiency, and capability for every journey.
