2018 RAM 3500 LARAMIE Vehicle Description

This 2018 RAM 3500 LARAMIE stands out as a robust used pickup truck designed for serious work and comfort. With a striking red exterior, this 4WD powerhouse offers a reliable gasoline engine with 6.4 liters of displacement, delivering 410 horsepower at 5600 RPM and 429 pound-feet of torque at 4000 RPM. It boasts a smooth automatic transmission and seating for six, making it perfect for both work and family adventures. The truck's 88,835 miles reflect its proven durability, and its premium features include Apple CarPlay, Bluetooth, a backup camera, fog lights, heated and memory seats, satellite radio readiness, and a tow package—ensuring convenience and connectivity on every drive.

This used RAM 3500 is packed with advanced safety and security features to give you peace of mind. It includes front and rear parking sensors, four-wheel ABS, auto-locking power door locks, and brake drying technology, all designed to enhance safety in various driving conditions. The combination of these features helps prevent accidents and provides added confidence when maneuvering or towing heavy loads. Whether navigating city streets or rough terrain, this truck offers a secure and reliable driving experience.

2018 RAM 3500 Safety and Security Features

The safety and security package on this used RAM 3500 includes front and rear parking sensors for easy parking assistance, four-wheel anti-lock braking system (ABS) to prevent wheel lockup, and auto-locking power door locks for added security. Brake drying technology enhances braking performance in wet conditions, ensuring consistent stopping power, making this truck a dependable choice for demanding driving environments.

2018 RAM 3500 Entertainment and Technology Features

Entertainment and technology are well-covered in this RAM 3500 with an 8.4-inch touchscreen infotainment system, featuring HD radio, surround sound, and a total of eight speakers plus a dedicated subwoofer. Hands-free voice-operated calling and radio control keep your hands on the wheel, while connected in-car apps and an electronic messaging assistant with read function add convenience. The system also supports app marketplace integration, providing access to a variety of useful applications.

2018 RAM 3500 Performance Features

Performance capabilities of this used RAM 3500 include a Class V trailer hitch designed for heavy towing, an electronic hi-lo 4WD selector for versatile off-road and on-road driving, and a rear limited-slip differential to improve traction. The truck operates on part-time 4WD and features cylinder deactivation technology, enhancing fuel efficiency during lighter loads while maintaining strong performance when needed. These features make this RAM 3500 a capable workhorse ready for demanding tasks.
