2021 CHEVROLET TRAILBLAZER RS Vehicle Description

Discover the 2021 Chevrolet Trailblazer RS, a stylish and versatile SUV that combines practicality with modern technology. With only 45,271 miles, this used vehicle sports a striking Red Hot exterior that commands attention on the road. Powered by a turbocharged 1.3L three-cylinder engine delivering 155 horsepower and 174 lb-ft of torque, it offers an efficient yet lively driving experience. The CVT automatic transmission and front-wheel drive setup ensure smooth handling and fuel economy, achieving up to 29 mpg in city driving and 33 mpg on the highway. This four-door SUV comfortably seats five and comes equipped with features like Apple CarPlay, a backup camera, Bluetooth connectivity, heated seats, keyless entry, lane keep assist, push start, a tow package, and a Wi-Fi hotspot, making every trip convenient and connected.

This used Chevrolet Trailblazer RS is packed with safety and entertainment features designed to enhance your driving confidence and enjoyment. Safety begins with a rear seat reminder and dual knee airbags alongside four-wheel ABS, auto-locking power door locks, and a programmable safety key to ensure peace of mind. Additional protective features include an electronic parking brake with auto off, providing reliable safety measures. On the entertainment front, a 7-inch touch screen infotainment system delivers seamless access to your favorite media, complemented by six speakers and USB auxiliary input. Compatibility with the myChevrolet app and Connected Access enhances device integration, while voice-activated controls for hands-free calls and electronic messaging assist keep your attention on the road.

2021 CHEVROLET TRAILBLAZER Safety and Security Features

This SUV prioritizes safety with essential features like a rear seat reminder and dual front knee airbags. Four-wheel ABS offers confident braking performance, while auto-locking power door locks prevent unauthorized access. The programmable safety key adds an extra layer of security, and the electronic parking brake with auto off ensures reliable stopping power. These features combine to create a secure environment for driver and passengers alike.

2021 CHEVROLET TRAILBLAZER Entertainment and Technology Features

The Trailblazer RS is designed for connectivity and entertainment, featuring a 7-inch touch screen display with a responsive radio interface. Six speakers deliver quality sound, augmented by USB auxiliary input for your devices. Integration with the myChevrolet app and Connected Access allows you to control vehicle functions remotely, while voice-operated controls support hands-free calling and messaging, keeping you connected without distraction.

2021 CHEVROLET TRAILBLAZER Performance Features

Under the hood, this SUV is equipped with auto start/stop technology that helps improve fuel efficiency and reduce emissions. The turbocharged engine provides responsive performance, making city commutes and highway drives smooth and enjoyable. With its balanced combination of power and efficiency, this used Trailblazer RS is ready to meet your daily driving needs with confidence.
