2021 JEEP GLADIATOR OVERLAND Vehicle Description

Discover the 2021 JEEP Gladiator Overland, a versatile used pickup truck built for adventure and daily driving. With 110,071 miles, this gray exterior vehicle combines rugged capability with modern amenities. Its 3.6-liter V6 engine delivers 285 horsepower at 6,400 rpm and 260 lb-ft of torque at 4,400 rpm, providing strong performance for towing and off-road excursions. The automatic transmission and 4WD drivetrain ensure smooth handling in various conditions, making it a reliable choice for work or play. Equipped with features like Apple CarPlay, Bluetooth, satellite radio readiness, and a backup camera, this Gladiator keeps you connected and confident on the road. Additional convenience comes from fog lights, push start, and a tow package, enhancing its practicality and style for those seeking a capable, well-equipped used truck.

This used 2021 Gladiator Overland offers a suite of safety and security features designed to protect you and your passengers. It includes 4-wheel ABS to prevent wheel lock-up during emergency braking and auto-locking power door locks for added security. Whether you're hauling gear or navigating city streets, these safety features deliver peace of mind, making it a dependable choice in the used truck market. The combination of durability and advanced safety systems makes this vehicle an appealing option for drivers looking for reliable performance and security.

2021 JEEP GLADIATOR Safety and Security Features

This Gladiator is equipped with 4-wheel ABS to enhance braking control and auto-locking power door locks to secure the vehicle when parked or in motion, adding an extra layer of safety and theft prevention.
