2016 LINCOLN MKC RESERVE Vehicle Description

Experience the sophistication and comfort of this 2016 Lincoln MKC Reserve, a stylish and versatile SUV designed to elevate your driving experience. Cloaked in a striking blue exterior, this vehicle offers a blend of luxury and practicality, with a well-maintained condition and 135,312 miles. Powered by a turbocharged 2.0-liter four-cylinder engine delivering 240 horsepower and 270 lb-ft of torque, it promises spirited performance while maintaining respectable fuel efficiency—20 mpg city and 29 mpg highway. The automatic transmission and front-wheel drive system ensure smooth handling, making it ideal for daily commutes or weekend getaways. Inside, you'll find a spacious five-passenger cabin equipped with premium features such as cooled and heated seats, memory settings, keyless entry, and a sunroof, all designed to maximize comfort. Modern conveniences like Bluetooth connectivity, a navigation system, push start, satellite radio readiness, and a premium audio system with nine speakers deliver a seamless and enjoyable ride.

This Lincoln MKC Reserve exemplifies safety and advanced technology, combining peace of mind with entertainment. Key safety features include driver knee airbags, rear parking sensors, four-wheel ABS, auto-locking power door locks, a programmable safety key, and an electronic parking brake, all working together to protect occupants. The vehicle's safety systems are complemented by its user-friendly tech, including an 8-inch touch screen infotainment display, real-time traffic navigation data, voice-operated radio, and integrated in-car apps for connectivity. The sound system features a subwoofer, auxiliary USB input, and Wi-Fi hotspot compatibility, ensuring entertainment and connectivity on the go. With these features, this used Lincoln MKC Reserve offers a compelling mix of luxury, safety, and advanced tech, making it a smart choice for drivers seeking quality and value.

2016 LINCOLN MKC Safety and Security Features

This vehicle is equipped with essential safety features such as driver knee airbags for added protection, rear parking sensors to assist with maneuvering, four-wheel ABS to prevent wheel lock-up during emergency stops, and auto-locking power door locks for security. The programmable safety key allows for personalized access, while the electronic parking brake simplifies parking procedures. These features combine to provide a comprehensive safety net for all occupants.

2016 LINCOLN MKC Entertainment and Technology Features

Entertainment and connectivity are prioritized with Wi-Fi hotspot capability, enabling internet access on the go. The voice-operated radio and an 8-inch touch screen display with a touch screen radio interface make controlling media intuitive. The system includes nine speakers and a subwoofer for premium sound, along with auxiliary USB input and real-time traffic navigation data. Connected in-car apps and electronic messaging assistance with read functions keep drivers connected and informed during every journey.
