2018 KIA SPORTAGE LX Vehicle Description

This used 2018 KIA SPORTAGE LX offers a compelling blend of style, versatility, and performance. With only 16,209 miles on the odometer, this SUV boasts a striking gold exterior that stands out on the road. Powered by a 2.4-liter four-cylinder engine producing 181 horsepower and 175 lb-ft of torque, it delivers reliable gasoline efficiency with an estimated 21 mpg city and 25 mpg highway. The automatic transmission and all-wheel drive provide smooth handling and confident traction, making it suitable for both daily commuting and weekend adventures. Inside, the SPORTAGE LX comfortably seats five with four doors for easy access, and its features include a backup camera, Bluetooth connectivity, and satellite radio readiness, ensuring convenience and entertainment on every drive.

This vehicle combines practicality with modern safety features that enhance peace of mind. The 2018 KIA SPORTAGE LX is equipped with four-wheel anti-lock braking systems (ABS) for optimal stopping power, auto-locking power door locks for added security, and hill descent assist for off-road confidence. These features work together to ensure safety across diverse driving conditions, whether navigating city streets or tackling uneven terrain. Its robust safety package makes it a dependable choice for families and commuters alike, providing reassurance with every trip.

2018 KIA SPORTAGE Safety and Security Features

The safety and security package of this SUV includes four-wheel anti-lock braking system (ABS), auto-locking power door locks, and hill descent assist, offering comprehensive protection and confidence in various driving scenarios.

2018 KIA SPORTAGE Entertainment and Technology Features

This SPORTAGE LX is equipped with a touch screen display radio, providing easy access to entertainment and navigation. It features six total speakers for clear sound quality and includes a USB auxiliary audio input, allowing seamless connection to your devices for personalized music and media.

2018 KIA SPORTAGE Performance Features

Performance-wise, the vehicle features a center locking differential and operates with full-time four-wheel drive, ensuring optimal traction and stability in diverse conditions. This setup enhances driving confidence whether on paved roads or off-road trails.
