2019 NISSAN ALTIMA SL Vehicle Description

Discover the 2019 Nissan Altima SL, a stylish sedan built for comfort and convenience. With only 75,480 miles, this used vehicle boasts a sleek silver exterior complemented by a luxurious interior featuring heated seats, a sunroof/moonroof, and premium audio. Powered by a 2.5-liter four-cylinder engine with 188 horsepower and 180 lb-ft of torque, it offers a smooth ride with a fuel-efficient CVT transmission and front-wheel drive. Modern tech enhancements include Apple CarPlay, Bluetooth, satellite radio readiness, and an 8-inch touchscreen infotainment system, making every drive enjoyable. Safety features like adaptive cruise control, a backup camera, blind spot monitor, collision warning, and lane keep assist provide peace of mind, while keyless entry and push start add to the convenience.

This Nissan Altima SL is loaded with advanced safety and entertainment systems designed to elevate your driving experience. It features automatic emergency braking at the rear, rear parking sensors, and electronic parking brake with auto-off, along with dual knee airbags for added protection. Traffic sign recognition and cornering brake control enhance safety, complemented by anti-lock brakes and auto-locking power door locks. The vehicle's comprehensive security features ensure peace of mind on every journey.

2019 NISSAN ALTIMA Safety and Security Features

The Altima is equipped with automatic emergency braking at the rear and rear parking sensors to help prevent collisions. It includes check rear seat reminder, dual knee airbags for the driver and passenger, traffic sign recognition, and cornering brake control. Anti-lock braking system (ABS), auto-locking power door locks, and an electronic parking brake with auto-off provide additional security. Power door locks feature auto-locking, enhancing convenience and safety, while the vehicle's overall safety design prioritizes driver and passenger protection.

2019 NISSAN ALTIMA Entertainment and Technology Features

This Altima offers a comprehensive entertainment system with an 8-inch touch screen display, real-time traffic navigation, and HD radio for crystal-clear sound. Compatibility with NissanConnect allows seamless smartphone integration and voice-operated hands-free calling, while a premium 7-speaker audio system with a dual subwoofer delivers immersive sound. The vehicle also features a DVD navigation system, radio with voice control, and a sleek touchscreen interface, ensuring you stay connected and entertained on every trip.
