2019 HONDA CIVIC SPORT Vehicle Description

Discover the 2019 Honda Civic Sport Hatchback, a stylish and practical vehicle that combines performance with modern technology. With just over 86,368 miles, this used hatchback offers a dynamic driving experience powered by a 1.5L turbocharged four-cylinder engine delivering 180 horsepower at 6000 RPM and 162 lb-ft of torque at 1700 RPM. Its sleek blue exterior highlights its sporty appeal, complemented by a spacious five-passenger interior and four doors for easy access. Equipped with a smooth CVT automatic transmission and front-wheel drive, this Civic provides excellent fuel efficiency, achieving an estimated 30 MPG in the city and 36 MPG on the highway. Features like adaptive cruise control, a backup camera, Bluetooth connectivity, collision warning, fog lights, and lane keep assist enhance safety and convenience, making this Civic a compelling choice for drivers seeking reliability and modern amenities.

This used 2019 Honda Civic Sport Hatchback is built with safety and security at the forefront. It features four-wheel anti-lock braking system (ABS) for responsive stopping, cornering brake control for enhanced stability during turns, auto-locking power door locks for added security, and an electronic parking brake that automatically disengages for ease of use. These safety features work together to provide peace of mind on every journey, ensuring both driver and passengers are protected in various driving conditions. The Civic's thoughtful safety design combines advanced technology with practical features, making it a dependable choice for daily commuting or weekend adventures.

2019 HONDA CIVIC Safety and Security Features

This Civic is equipped with essential safety features including four-wheel ABS, which helps prevent wheel lock-up during hard braking, and cornering brake control that enhances stability when turning. For added security, it includes auto-locking power door locks that activate when driving, and an electronic parking brake with an auto-off function for convenience and safety when parking. These features work together to provide a secure driving environment, protecting occupants and supporting confident handling in diverse driving conditions.

2019 HONDA CIVIC Entertainment and Technology Features

The Civic is outfitted with a USB auxiliary audio input that allows seamless connection to various devices, ensuring you stay entertained and connected on the go. This feature, combined with Bluetooth connectivity, provides hands-free calling and audio streaming, making it easy to stay engaged while maintaining focus on the road. The combination of entertainment and communication features enhances the driving experience, offering convenience and connectivity in a stylish and efficient package.
