2017 FORD EXPLORER LIMITED Vehicle Description

Discover the 2017 Ford Explorer Limited, a stylish used SUV with just over 81,878 miles, ready to elevate your driving experience. Its striking gold exterior commands attention, complemented by a luxurious leather interior featuring heated and cooled seats, memory settings, and a third-row seat that offers seating for seven. With advanced technology including Apple CarPlay, a premium 12-speaker sound system, navigation with real-time traffic updates, and a push-start ignition, this Explorer combines convenience with entertainment. The hands-free liftgate, keyless entry, Bluetooth connectivity, and satellite radio make every journey seamless. Whether you're commuting or heading out on a family adventure, this vehicle delivers comfort and tech at every turn.

Built for performance, this Explorer features a 3.5-liter V6 engine producing 290 horsepower at 6500 RPM and 255 lb-ft of torque at 4000 RPM, paired with an automatic transmission and full-time 4WD. Its robust powertrain ensures confident handling across various terrains while maintaining efficiency. The sporty yet practical design is enhanced by its durable gasoline fuel system, making it suitable for daily driving or extended trips. With such impressive capabilities, this used Ford Explorer Limited is a versatile choice for those seeking reliability, style, and advanced features in a spacious SUV.

2017 FORD EXPLORER Safety and Security Features

This Explorer is equipped with a front camera system and washer, front knee airbags for the passenger, and parking sensors both front and rear to aid in maneuvering. Its safety package includes ABS on all four wheels, auto-locking power door locks, and an anti-lockout feature to prevent accidental lock-ins. The front camera system washer and rear washer help maintain clear views, while a programmable safety key adds an extra layer of security, making it a dependable vehicle for family or daily use.

2017 FORD EXPLORER Entertainment and Technology Features

The vehicle boasts a premium audio system with 12 total speakers and surround sound 5.1 for immersive listening. The 8-inch infotainment touchscreen provides access to HD radio, real-time traffic navigation data, and a touch display for ease of use. Voice-operated controls enable hands-free calls and radio adjustments, enhancing safety and convenience. With 390 watts of power and app marketplace integration, this Explorer keeps you connected and entertained on every trip.

2017 FORD EXPLORER Performance Features

Designed with a full-time 4WD system, this Explorer offers excellent traction and stability across diverse driving conditions. Its drivetrain ensures consistent power delivery, making it suitable for both city streets and off-road adventures. The vehicle's performance capabilities combine with its spacious interior and advanced features to provide a well-rounded driving experience, whether tackling daily commutes or longer excursions.
