2026 KIA K5 GT LINE Vehicle Description

Discover the 2026 KIA K5 GT LINE, a stylish and well-equipped used sedan that combines performance, technology, and safety. With just 14,525 miles on the odometer, this white beauty offers a sleek, modern look and reliable gasoline power through a 2.5-liter four-cylinder engine producing 191 horsepower at 6100 rpm and 181 lb-ft of torque at 4000 rpm. Its automatic transmission and front-wheel drive deliver a smooth ride, while features like adaptive cruise control, Apple CarPlay, backup camera, blind spot monitor, Bluetooth, collision warning, cross traffic alert, heated seats, keyless entry, lane keep assist, navigation, push start, satellite radio readiness, and wireless phone charging make every drive convenient and connected.

This used KIA K5 GT LINE is packed with advanced safety features designed to protect you and your passengers. It includes automatic emergency braking at the rear and intersection/junction turns, a check rear seat reminder, a vehicle exit safety system, traffic sign recognition, driver knee airbags, front and rear parking sensors, four-wheel ABS, and anti-lock power door locks. These systems work together to enhance your safety on every trip, providing peace of mind and confidence behind the wheel.

2026 KIA K5 Safety and Security Features

This model features essential safety systems such as automatic emergency braking at the rear and intersection turns, a rear check reminder, vehicle exit safety system, traffic sign recognition, driver knee airbags, front and rear parking sensors, four-wheel ABS, and anti-lockout power door locks. These components help prevent accidents and protect occupants, making this sedan a secure choice for daily driving.

2026 KIA K5 Entertainment and Technology Features

The K5 GT LINE boasts a 12.3-inch infotainment touchscreen that integrates seamlessly with smart device apps like Amazon Alexa and Kia Access. It offers voice-operated hands-free calling and radio, HD radio, and engine start/cabin preconditioning functions through compatible apps. The touch screen provides easy access to entertainment and navigation, while electronic messaging assistance—both read and voice-operated—keeps you connected safely on the go.

2026 KIA K5 Performance Features

This sedan includes auto start/stop technology that enhances fuel efficiency and reduces emissions. The combination of performance features ensures a responsive, efficient drive, making the KIA K5 GT LINE a compelling choice for those seeking a reliable used vehicle with modern tech and safety features.
