2013 FORD ESCAPE SE Vehicle Description

Discover the 2013 Ford Escape SE, a versatile used SUV that combines style, performance, and practicality. With just over 103,000 miles, this Blue Candy Metallic vehicle offers a reliable 2.0-liter turbocharged four-cylinder engine producing 240 horsepower at 5500 RPM and 270 lb-ft of torque at 3000 RPM. Its 4WD system ensures confident handling in various driving conditions, while the automatic transmission provides smooth shifts. Designed to seat five comfortably in a four-door layout, this SUV features fuel economy ratings of 21 mpg city and 28 mpg highway, making it an efficient choice for daily commutes and weekend adventures. The Escape SE comes equipped with modern features like Bluetooth connectivity, fog lights for enhanced visibility, and satellite radio readiness, delivering both convenience and entertainment on the road.

This used Ford Escape SE is a well-rounded vehicle with a focus on safety and technology. It includes essential safety features such as knee airbags for the driver, four-wheel anti-lock braking system (ABS), and auto-locking power door locks to secure passengers. Additionally, a programmable safety key adds an extra layer of security, giving owners peace of mind. The vehicle's entertainment system boasts a voice-operated radio and six speakers, providing clear audio for all passengers. For connectivity, it offers auxiliary audio input via USB and electronic messaging assistance with a read function, making staying connected easier and safer while on the move.

2013 FORD ESCAPE Safety and Security Features

This vehicle is equipped with vital safety features, including knee airbags for the driver to protect in frontal impacts. Four-wheel ABS enhances braking control during emergency stops, reducing the risk of skidding. Auto-locking power door locks improve security by automatically securing doors when driving. The programmable safety key allows owners to set personalized access, adding an extra layer of security and convenience for daily use.

2013 FORD ESCAPE Entertainment and Technology Features

Entertainment comes with a voice-operated radio system that allows hands-free control, keeping your focus on the road. Electronic messaging assistance with a read function enables safe reading of messages while driving. The vehicle's audio system includes six speakers for a balanced sound experience, complemented by an auxiliary audio input via USB, making it easy to connect smartphones and other devices for personalized playlists and hands-free entertainment.

2013 FORD ESCAPE Performance Features

The Ford Escape SE features an on-demand 4WD system, providing excellent traction and stability when needed most. This setup allows drivers to switch between two-wheel and four-wheel drive modes, optimizing performance based on road conditions. The combination of a turbocharged engine and advanced drivetrain technology ensures a dynamic and controlled ride, whether navigating city streets or tackling rougher terrain.
