2011 JEEP GRAND CHEROKEE OVERLAND Vehicle Description

Discover the commanding presence of this 2011 Jeep Grand Cherokee Overland, a used SUV that blends luxury, capability, and advanced technology. With only 112,155 miles on the clock, this Gray exterior vehicle offers a powerful 5.7L V8 engine delivering up to 360 horsepower at 5,150 rpm and 390 lb-ft of torque at 4,250 rpm. Equipped with an automatic transmission and 4WD, it's built to handle tough terrains and daily commutes alike. Inside, enjoy plush leather seats, heated and rear heated seats, memory settings, and a sunroof/moonroof that enhance comfort and convenience. Modern features include a backup camera, Bluetooth connectivity, fog lights, navigation system, satellite radio readiness, and a tow package, making this SUV as practical as it is stylish. Whether you're headed off-road or cruising city streets, this Jeep combines rugged performance with premium amenities, all in a versatile, used model ready to meet your driving needs.

The 2011 Jeep Grand Cherokee Overland is packed with safety and security features to keep you protected. Rear parking sensors help with tight maneuvers, while active head restraints in the front safeguard occupants. Four-wheel ABS provides stability on slippery surfaces, and power door locks add convenience. For off-road adventures, hill descent assist ensures controlled descents. This combination of safety systems offers peace of mind wherever your journey takes you.

Entertainment and technology are at the forefront of this Grand Cherokee Overland. It boasts a navigation system with DVD playback, complemented by a premium Boston Acoustics sound system with nine speakers pumping out 506 watts, delivering rich, immersive audio. An in-dash six-disc CD changer and a subwoofer provide versatile music options, while real-time traffic updates keep you on the fastest route. The vehicle features a 30GB hard drive for storing music and apps, all displayed on a 6.5-inch infotainment screen, making every drive engaging and connected.

Performance-wise, this Jeep is engineered for serious capability. It includes a rear limited slip differential, a center limited slip, and a front limited slip, enhancing traction in challenging conditions. Locking differentials at the front, center, and rear provide maximum grip when needed. The 4WD system is full-time, with a manual hi-lo selector, allowing you to tailor the drivetrain for on-road comfort or off-road prowess. This setup ensures the Grand Cherokee Overland remains a reliable and versatile SUV capable of conquering any terrain.
