2018 FORD ESCAPE SEL Vehicle Description

Experience the versatile 2018 Ford Escape SEL, a used SUV that combines practicality with modern technology. With 129,788 miles on the odometer, this Silver exterior vehicle offers a reliable, fuel-efficient ride powered by a turbocharged 1.5L four-cylinder engine producing 179 horsepower and 177 lb-ft of torque. Its automatic transmission and 4WD system ensure confident handling in various conditions. Designed to meet the needs of active drivers, this Escape features amenities like Apple CarPlay, a backup camera, Bluetooth connectivity, fog lights, heated seats, satellite radio readiness, and a WiFi hotspot, making every journey more convenient and enjoyable. The four-door layout comfortably seats five, providing ample space for family or gear, while maintaining a sleek, stylish exterior.

This 2018 Ford Escape SEL is equipped with a range of safety and security features designed to protect occupants and enhance peace of mind. It includes knee airbags for the driver, rear parking sensors, four-wheel anti-lock braking system (ABS), auto-locking power door locks with anti-lockout, cornering brake control, a programmable safety key, and an electronic parking brake. These systems work together to ensure safety in various driving scenarios, making it a dependable choice for daily commuting or weekend adventures.

2018 FORD ESCAPE Safety and Security Features

The vehicle is equipped with knee airbags for the driver, rear parking sensors, a four-wheel anti-lock braking system (ABS), auto-locking power door locks, cornering brake control, a programmable safety key, and an electronic parking brake. These features enhance safety and security, providing added confidence on the road.

2018 FORD ESCAPE Entertainment and Technology Features

Inside, the Escape offers an 8-inch touchscreen infotainment system with voice-operated radio and hands-free phone call integration. It supports smart device app compatibility through SYNC Connect, allowing engine start and cabin preconditioning from afar. The vehicle also features internet radio via Pandora, app marketplace integration, and electronic messaging assistance with both voice-operated and read functions, keeping you connected and entertained on every trip.

2018 FORD ESCAPE Performance Features

Performance is boosted with auto start/stop technology that improves fuel efficiency and emissions. The SUV features an on-demand 4WD system, providing traction when needed without sacrificing economy. These performance features make the Escape a practical choice for everyday driving while maintaining capable handling in diverse conditions.
