With only 85,940 miles, this Blue exterior vehicle is equipped with a 1.5L turbocharged four-cylinder engine, delivering 170 horsepower at 5600 RPM and 203 lb-ft of torque at 2000 RPM. Its automatic transmission and AWD system ensure smooth handling and confident driving in various conditions. Inside, the Equinox features seating for five with four doors, making it perfect for families or commuters. Modern conveniences include Apple CarPlay, Bluetooth, a backup camera, satellite radio readiness, Wifi hotspot, keyless entry, push start, and xenon headlights, creating a connected and safe driving experience.

This used Chevrolet Equinox combines efficiency and safety with advanced features designed for modern drivers. It offers impressive fuel economy, achieving 25 mpg in the city and 30 mpg on the highway. Its safety suite includes a rear seat reminder, ABS with four-wheel anti-lock brakes, auto-locking and anti-lockout power door locks, a programmable safety key, and an electronic parking brake with auto off. These features enhance security and provide peace of mind on every journey. The vehicle's smart technology ensures you stay connected and protected, making it an excellent choice for those seeking reliability and convenience.

2020 CHEVROLET EQUINOX Safety and Security Features

This SUV is equipped with key safety features, including a rear seat reminder that prompts drivers to check the back seats, ABS with four-wheel anti-lock brakes for stability, and power door locks with anti-lockout and auto-locking functions for security. It also features a programmable safety key to restrict access and an electronic parking brake with auto off for added control. These systems work together to enhance safety and security during every drive.

2020 CHEVROLET EQUINOX Entertainment and Technology Features

Stay connected and entertained with the Equinox's advanced tech. It offers compatibility with the myChevrolet app and Connected Access for smart device integration. Hands-free phone calls are simplified with voice operation, complemented by a 7-inch touchscreen infotainment system with a touch display and six speakers for immersive sound. Additional features include USB auxiliary audio input and electronic messaging assistance with both read and voice operation, ensuring you stay informed and entertained on the go.

2020 CHEVROLET EQUINOX Performance Features

This SUV features an electronic 4WD selector and part-time 4WD type, providing versatility and control across various terrains. The vehicle is equipped with auto start/stop technology, which helps improve fuel efficiency by shutting down the engine when idle. These performance features make the Equinox a dependable choice for everyday driving and outdoor adventures alike.
