2015 HYUNDAI SANTA FE SPORT 2.0T Vehicle Description

This 2015 Hyundai Santa Fe Sport 2.0T stands out as a versatile, well-equipped SUV with a stylish white exterior and a comfortable five-passenger interior. With just under 80,100 miles, this used vehicle offers an impressive balance of power and efficiency, driven by a turbocharged 2.0-liter four-cylinder engine producing 264 horsepower and 269 lb-ft of torque. Its 4-door design, automatic transmission, and front-wheel drive make for a smooth driving experience. Standard features include a backup camera, blind spot monitor, Bluetooth connectivity, and cross traffic alert, ensuring safety and convenience on every journey. Additional amenities such as fog lights, a hands-free liftgate, heated leather seats, keyless entry, push start, and satellite radio ready enhance the driving experience, making this SUV a compelling choice for practical daily use and weekend adventures alike.

The 2015 Hyundai Santa Fe Sport offers an array of safety and security features designed to protect occupants and provide peace of mind. It includes knee airbags for the driver and active head restraints for both front seats, reducing injury risk in a collision. The vehicle's 4-wheel ABS helps maintain control during emergency braking, while auto-locking power door locks add security. For challenging terrains, hill descent off-road driving assist ensures stability and confidence. This combination of safety features underscores Hyundai's commitment to passenger protection and vehicle stability, making it a dependable choice for families and daily commuters alike.

2015 HYUNDAI SANTA FE SPORT Safety and Security Features

Knee airbags for the driver, active head restraints for dual front seats, 4-wheel ABS, auto-locking power door locks, and hill descent off-road driving assist come standard to enhance safety and security. These features work together to protect occupants, improve control, and provide confidence in various driving conditions.

2015 HYUNDAI SANTA FE SPORT Entertainment and Technology Features

The SUV is equipped with a touchscreen display radio, offering intuitive control over entertainment options. Six speakers deliver quality sound, while auxiliary audio input via USB provides seamless connection to personal devices. These features ensure an enjoyable driving experience with modern technology at your fingertips.
