2020 HONDA HR-V LX Vehicle Description

Discover the 2020 Honda HR-V LX, a versatile used SUV that combines practicality with efficiency. With a sleek silver exterior and a well-maintained body, this vehicle offers a smooth drive powered by a 1.8L naturally aspirated four-cylinder engine producing 141 horsepower at 6500 RPM and 127 lb-ft of torque at 4300 RPM. Equipped with a reliable CVT automatic transmission and AWD, it ensures confident handling in various driving conditions. Covering just 45,276 miles, this SUV balances fuel economy with performance, delivering an impressive 27 mpg in the city and 31 mpg on the highway. Its four-door layout comfortably seats five, making it suitable for daily commutes or weekend adventures. Features like a backup camera and Bluetooth connectivity enhance safety and convenience, making this Honda HR-V an ideal choice for drivers seeking value and reliability.

This used Honda HR-V LX is packed with essential safety features, including 4-wheel ABS, auto-locking power door locks, and an electronic parking brake with auto-off. These systems work together to provide peace of mind on every journey, ensuring optimal stopping power and security. The vehicle's advanced safety design emphasizes driver control and security, making it a dependable choice for daily use or longer trips. With its solid safety foundation, the HR-V offers confidence behind the wheel, whether in urban traffic or on open roads.

2020 HONDA HR-V Safety and Security Features

The Honda HR-V is equipped with 4-wheel ABS to prevent wheel lockup during braking, auto-locking power door locks for added security, and an electronic parking brake with auto-off to simplify parking maneuvers and save battery life. These features work harmoniously to keep occupants safe and secure, providing peace of mind in all driving situations.

2020 HONDA HR-V Entertainment and Technology Features

Keeping connected is effortless with HondaLink compatibility for smart device app integration, allowing seamless control of your smartphone features. Hands-free phone call capability via voice commands enhances safety by minimizing distractions, while auxiliary audio input through USB ensures your favorite tunes are always within reach. These technological features make every drive more enjoyable and convenient.

2020 HONDA HR-V Performance Features

The HR-V features an on-demand 4WD system that activates only when needed, providing enhanced traction and stability without sacrificing fuel efficiency. This intelligent drive system adapts to changing road conditions, ensuring confident handling whether on wet roads, snowy terrain, or everyday city streets.
