2024 JEEP WRANGLER RUBICON 4XE Vehicle Description

This used 2024 Jeep Wrangler Rubicon 4xe offers a distinctive blend of rugged capability and modern technology. With just over 20,000 miles, this SUV stands out in a bold purple exterior, combining style and performance. Powered by a turbocharged 2.0-liter four-cylinder engine paired with an electric motor, it delivers a robust 375 horsepower and 470 lb-ft of torque, ensuring impressive off-road prowess and on-road confidence. Equipped with a 4WD system, automatic transmission, and a tow package, this Wrangler is ready for adventure. Inside, it features heated seats, keyless entry, navigation, and a premium audio system with an 8-speaker setup, a 12.3-inch touchscreen, and satellite radio compatibility. Smartphone integration via Apple CarPlay, Bluetooth, and Wi-Fi hotspot keeps you connected, while adaptive cruise control, backup camera, blind spot monitor, collision warning, and cross traffic alert enhance safety and convenience.

This Jeep Wrangler Rubicon 4xe is packed with advanced safety and security features to protect you and your passengers. It includes a rear seat reminder, rear parking sensors, regenerative braking, four-wheel ABS, emergency braking preparation, and anti-lockout power door locks. The vehicle also offers auto-locking locks, off-road hill ascent and descent assist, ensuring stability in challenging terrains. These features make this SUV not only capable but also secure, giving peace of mind whether on city streets or rugged trails.

2024 JEEP WRANGLER Safety and Security Features

This used Wrangler is equipped with essential safety features including a rear seat reminder to prevent accidental oversight, rear parking sensors for easier maneuvering, and a regenerative braking system to enhance efficiency. It features four-wheel ABS to improve stopping power in various conditions, emergency braking preparation to assist in sudden stops, and power door locks with anti-lockout functionality. Auto-locking door locks ensure security once the vehicle is in motion. For off-road adventures, hill ascent and descent assist help maintain control on steep inclines and declines, making this Jeep a reliable choice for diverse terrains.

2024 JEEP WRANGLER Entertainment and Technology Features

The vehicle boasts a 12.3-inch touchscreen infotainment system that serves as the control hub for audio and navigation. SiriusXM Guardian compatibility provides smart device app access, including engine start and cabin preconditioning functions. Hands-free voice-operated phone calls and radio, along with HD radio, keep connectivity seamless. With 552 watts of power, eight speakers, and a subwoofer, the premium audio system delivers immersive sound, making every drive enjoyable and entertaining.

2024 JEEP WRANGLER Performance Features

This Wrangler Rubicon 4xe offers an electric range of 21 miles per charge, ideal for short commutes and city driving. The lithium-ion battery powers an off-road tuned suspension, perfect for rugged terrain. Its hybrid system features auto start/stop for fuel efficiency and a part-time 4WD with an on-demand setting for versatile traction. Front and rear locking differentials enhance off-road capability, while the electric motor charges in approximately 2.5 hours on 240V or 17.5 hours on 120V. The trailer hitch supports Class II towing, making this SUV as capable as it is versatile.
