2021 HYUNDAI ELANTRA SEL Vehicle Description

Discover the 2021 Hyundai Elantra SEL, a stylish and reliable sedan that combines modern technology with everyday practicality. With a sleek White Pearl exterior and a clean, well-maintained appearance, this used vehicle offers a smooth driving experience powered by a 2.0-liter 4-cylinder engine paired with a CVT automatic transmission, ensuring efficient performance. Designed for comfort and convenience, it seats five passengers comfortably and features a range of advanced amenities including Apple CarPlay, Bluetooth, satellite radio readiness, and a hands-free liftgate. The Elantra's modern design is complemented by practical features like keyless entry, push start, and a backup camera, making daily commutes and longer trips equally enjoyable.

This used Hyundai Elantra SEL is equipped with a comprehensive suite of safety and security features to provide peace of mind on every journey. It includes a vehicle exit safety system and anti-lock 4-wheel brakes to enhance stability, while power door locks with auto-locking and anti-lockout functions add an extra layer of security. Lane keep assist, collision warning, and cross traffic alert work together to help prevent accidents, making this sedan a smart choice for safety-conscious drivers. Its well-rounded safety package ensures you and your passengers are protected, whether navigating city streets or highway highways.

2021 HYUNDAI ELANTRA Safety and Security Features

The Elantra SEL prioritizes safety with a vehicle exit safety system that alerts occupants when doors are open, and anti-lock 4-wheel brakes that improve stopping control. Power door locks feature anti-lockout technology to prevent accidental lock-ins, and auto-locking locks automatically secure doors while driving, enhancing overall security and driver confidence.

2021 HYUNDAI ELANTRA Entertainment and Technology Features

This model offers a robust range of entertainment and tech options, starting with compatibility for MyHyundai with Blue Link, allowing remote control of many vehicle functions through a smartphone app. Hands-free phone call integration and voice-operated electronic messaging assistance keep you connected safely. The 8-inch touch screen infotainment system features HD radio, app marketplace integration, and a touch screen display, providing easy access to music and apps. Six speakers deliver clear sound, while features like engine start and cabin preconditioning can be controlled remotely via smartphone, making every drive more comfortable and connected.
