2019 DODGE CHARGER SXT Vehicle Description

Experience the thrill of driving a 2019 Dodge Charger SXT, a stylish sedan that combines performance, technology, and safety in one compelling package. With just under 95,284 miles, this used vehicle features a striking Black Onyx Crystal Pearl Coat exterior and a sleek black interior, offering a sophisticated look and comfortable ride. Powered by a 3.6-liter V6 engine producing 300 horsepower and 264 lb-ft of torque, it delivers spirited performance paired with fuel efficiency—18 mpg in the city and 27 mpg on the highway. Equipped with an automatic transmission and all-wheel drive, this Charger is ready to handle a variety of road conditions. Modern amenities like Apple CarPlay, Bluetooth connectivity, a backup camera, keyless entry, push start, and satellite radio readiness make every drive convenient and enjoyable. Its four-door configuration comfortably seats five, making it an ideal choice for daily commuting or weekend adventures.

This used Dodge Charger SXT offers a host of advanced safety and security features to give you peace of mind on the road. Rear parking sensors assist with maneuvering tight spaces, while active head restraints in the front help prevent injuries during sudden stops. Four-wheel ABS enhances braking stability, and emergency braking preparation ensures added safety in critical moments. The vehicle is equipped with auto-locking power door locks for security, along with brake drying technology that improves braking performance in wet conditions. These features combine to make this sedan a safe and reliable choice for everyday driving.

2019 DODGE CHARGER Safety and Security Features

This Charger is equipped with rear parking sensors that aid in parking and reversing, providing additional awareness and preventing collisions. Active head restraints in the front seats help reduce neck injuries during sudden stops or impacts. The four-wheel ABS system ensures stable braking and control under various driving conditions. Emergency braking preparation enhances safety by alerting the driver to potential collisions and readying the braking system. Auto-locking power door locks provide convenience and security, automatically securing the vehicle when locked. Brake drying technology improves braking performance in rainy conditions, ensuring reliable stopping power when needed.

2019 DODGE CHARGER Entertainment and Technology Features

The Charger features an 8.4-inch infotainment touchscreen with HD radio and voice-operated controls, making it easy to access entertainment and information on the go. SiriusXM Guardian compatibility allows for smart device app integration, including remote engine start and cabin preconditioning, enhancing convenience and comfort. Hands-free phone call operation and electronic messaging assistance via voice commands keep you connected safely while driving. The sound system delivers 276 watts across six speakers, providing clear, immersive audio. Additionally, the vehicle supports a variety of smart device functions, making it a well-equipped, tech-savvy sedan.

2019 DODGE CHARGER Performance Features

The Charger's tuned touring suspension offers a smooth yet responsive ride, balancing comfort with handling. Its on-demand all-wheel drive system provides enhanced traction and stability, adapting to changing road conditions seamlessly. These performance features ensure that the vehicle delivers an engaging driving experience, whether you're commuting or enjoying weekend drives. With its powerful engine and refined suspension, this used Dodge Charger SXT remains a compelling choice for drivers seeking style, performance, and reliability.
