2020 DODGE DURANGO GT Vehicle Description

Discover the 2020 Dodge Durango GT, a versatile used SUV designed to deliver both performance and comfort. With just over 92,000 miles, this Gray exterior vehicle features a sleek black interior, providing a stylish and functional space for up to seven passengers. Equipped with a 3.6L V6 engine producing 295 horsepower at 6,400 RPM and 260 lb-ft of torque at 4,000 RPM, it offers a smooth, powerful drive. The Durango GT's AWD system ensures confident handling in all conditions. Inside, you'll find modern amenities like Apple CarPlay, Bluetooth, and satellite radio readiness, all accessible through a 7-inch touch screen. Comfort features include heated seats, rear A/C, rear heated seats, keyless entry, memory seats, and push start, making every journey convenient. The vehicle's 4-door layout and spacious third-row seat make it perfect for family outings or daily commutes.

This used Durango GT combines practicality with advanced technology to enhance your driving experience. The SUV's automatic transmission and gasoline fuel system provide efficient performance, with an estimated 18 mpg city and 25 mpg highway. Its sturdy build and seating for seven make it suitable for both daily use and longer trips. Whether you're navigating city streets or tackling rougher terrain, this Durango offers a reliable, comfortable ride, backed by its comprehensive set of features designed for convenience and safety.

2020 DODGE DURANGO Safety and Security Features

The Durango GT is equipped with essential safety features including rear automatic emergency braking and rear parking sensors, which help prevent accidents and aid in parking. Driver safety is enhanced with knee airbags for the driver and active head restraints in the front seats. The vehicle also includes 4-wheel ABS for superior stopping power, emergency braking preparation, auto-locking power door locks, and brake drying for wet conditions, all contributing to a secure driving environment.

2020 DODGE DURANGO Entertainment and Technology Features

This SUV offers a range of entertainment and tech features focused on connectivity and convenience. Hands-free phone call integration and voice-operated radio allow seamless communication and audio control while driving. The infotainment system features a 7-inch touch screen display and a voice-operated radio, complemented by six speakers for clear sound. Additional features include electronic messaging assistance with read and voice functions, as well as a USB auxiliary input, ensuring you stay connected and entertained on every trip.

2020 DODGE DURANGO Performance Features

The Durango GT is built for efficiency and capability, featuring auto start/stop technology to save fuel during idle times. Its full-time 4WD system provides consistent traction and stability across varying road conditions. These performance features ensure the vehicle remains responsive and reliable, whether you're commuting or venturing off-road.
