2018 JEEP COMPASS LIMITED Vehicle Description

This 2018 Jeep Compass Limited offers a compelling blend of style, performance, and advanced features, making it an excellent choice for drivers seeking versatility and reliability in a used SUV. Finished in a sleek black exterior with a matching black interior, this vehicle combines sophistication with practicality. With 102,741 miles on the odometer, it's powered by a 2.4-liter four-cylinder engine delivering 180 horsepower and 175 torque, paired with an automatic transmission and 4WD drive train for confident handling across various terrains. The Compass Limited comes equipped with modern conveniences such as Apple CarPlay, Bluetooth connectivity, a backup camera, heated seats, keyless entry, push start, and satellite radio readiness, ensuring a comfortable and connected driving experience.

Designed for safety and security, this used Jeep Compass features essential systems like knee airbags for the driver, active head restraints for dual front seats, 4-wheel ABS, auto-locking power door locks, brake drying, and an electronic parking brake. These features work together to enhance occupant safety and vehicle control, providing peace of mind on every journey. Economical in fuel consumption, it offers an estimated 22 mpg in the city and 30 mpg on the highway, making it a practical option for daily driving and longer trips alike.

2018 JEEP COMPASS Safety and Security Features

This Jeep Compass is equipped with key safety features including knee airbags for the driver and active head restraints for the front seats, which help reduce injury risk during collisions. The vehicle's 4-wheel ABS enhances braking performance, while auto-locking power door locks provide added security. Brake drying features improve stopping distances in wet conditions, and the electronic parking brake simplifies parking maneuvers, ensuring comprehensive safety for driver and passengers.

2018 JEEP COMPASS Entertainment and Technology Features

The Compass Limited offers an engaging infotainment system centered around an 8.4-inch touchscreen display with a touch screen radio, providing clear, easy-to-use controls. Voice-operated radio and electronic messaging assistance with read and voice functions keep drivers connected and entertained without distraction. The sound system includes six speakers and a USB auxiliary input, delivering quality audio and seamless device integration for a full multimedia experience.

2018 JEEP COMPASS Performance Features

Performance-wise, this Jeep features an electronic 4WD selector that allows drivers to switch between drive modes easily. Its rear locking differential enhances traction, especially in challenging off-road or slippery conditions. The on-demand 4WD system ensures optimal power distribution, providing confident handling and stability whether navigating city streets or exploring rugged terrain.
