2010 CHEVROLET SILVERADO 1500 LT Vehicle Description

This 2010 Chevrolet Silverado 1500 LT is a versatile pickup truck ready to handle your toughest jobs and weekend adventures. With its bold Red Jewel Tintcoat exterior and robust 5.3L V8 engine, this used Silverado offers 315 horsepower and 335 lb-ft of torque, ensuring strong performance on and off-road. Equipped with a 4WD system and an automatic transmission, it provides reliable control across various terrains. The truck features a spacious four-door cabin with seating for six, making it perfect for families or work crews. Satellite radio compatibility adds entertainment options for long drives, while its solid build and 234,554 miles speak to its durability and proven performance.

Designed for safety and security, this Silverado includes essential features such as four-wheel anti-lock brakes (ABS) to help maintain steering control during emergency stops. Power door locks enhance convenience and security, giving you peace of mind whether parked or on the move. While it's a used vehicle, its sturdy construction and well-maintained components make it a dependable choice for those seeking a capable pickup that balances power, comfort, and safety. This Silverado 1500 LT offers a compelling mix of features and performance, making it a smart investment for drivers who demand both utility and value.

2010 CHEVROLET SILVERADO 1500 Safety and Security Features

This Silverado is equipped with four-wheel ABS, providing enhanced braking control in diverse driving conditions. Power door locks add to the security, allowing you to easily secure your vehicle at the press of a button or with the key fob, ensuring safety for you and your passengers.

2010 CHEVROLET SILVERADO 1500 Entertainment and Technology Features

The truck comes with six total speakers, delivering clear and balanced sound for an enjoyable driving experience. Its entertainment system is designed to keep everyone entertained on long trips or daily commutes, making it a practical choice for drivers who value connectivity and audio quality.

2010 CHEVROLET SILVERADO 1500 Performance Features

The Silverado features an electronic hi-lo 4WD selector, allowing you to switch between modes with ease for optimal traction and control. Its part-time on-demand 4WD system ensures you can adapt to changing road and weather conditions, providing confidence and capability wherever the road takes you.
