2013 RAM 2500 LARAMIE Vehicle Description

Discover the 2013 RAM 2500 LARAMIE, a durable used pickup truck designed for serious work and comfort. Finished in sleek gray, this diesel-powered 4WD boasts 164,821 miles and features an automatic transmission paired with a 6.7-liter turbocharged six-cylinder engine delivering 350 horsepower and 660 lb-ft of torque at 2800 and 1500 RPM respectively. Its robust performance is complemented by modern amenities such as a backup camera, Bluetooth connectivity, fog lights, heated leather seats, memory seating, and satellite radio readiness—making every drive convenient and enjoyable. The truck’s spacious interior seats six, perfect for both work crews and family outings, while its tow package ensures it’s ready for heavy-duty hauling.

This used RAM 2500 offers a blend of safety, entertainment, and performance features tailored for demanding drivers. It comes equipped with four-wheel ABS for enhanced stopping power and power door locks for security. Inside, a sophisticated infotainment system features an 8.4-inch touchscreen with a touch display, a premium 10-speaker audio system with a subwoofer, voice-operated radio, and USB auxiliary input, delivering clear sound and connectivity options. Electronic messaging assistance with read and voice functions keeps you connected on the go. Under the hood, the truck’s performance is supported by a Class V trailer hitch, an electronic hi-lo 4WD selector, and a part-time 4WD system, allowing you to tackle tough terrains and heavy loads with ease.

2013 RAM 2500 Safety and Security Features

This used RAM 2500 prioritizes safety with four-wheel ABS, providing reliable stopping power in various conditions. Power door locks add an extra layer of security, ensuring your vehicle remains protected when parked or unattended.

2013 RAM 2500 Entertainment and Technology Features

The truck’s entertainment system includes a high-quality 8.4-inch touchscreen display, a total of 10 speakers with a dedicated subwoofer, and a voice-operated radio for hands-free control. USB auxiliary inputs and electronic messaging assistance with read and voice functions keep you connected and entertained during long drives.

2013 RAM 2500 Performance Features

Performance-wise, this RAM 2500 is equipped with a Class V trailer hitch designed for heavy towing, an electronic high-low 4WD selector for adaptable traction, and a part-time 4WD system that provides optimal control on rough terrain or slippery surfaces. Its rugged build and advanced features make it a dependable choice for work and adventure alike.
