2015 CADILLAC ESCALADE LUXURY Vehicle Description

The 2015 Cadillac Escalade Luxury SUV offers a commanding presence with its sleek Gray Silk Metallic exterior and spacious interior designed for comfort and versatility. With just over 108,500 miles, this used vehicle remains a powerful choice for drivers seeking luxury combined with practicality. Its robust 6.2-liter V8 engine delivers 420 horsepower at 5600 rpm and 460 lb-ft of torque at 4100 rpm, ensuring ample power for highway cruising or towing. The Escalade's advanced 4WD system, paired with an automatic transmission, provides confident handling in a variety of conditions. Inside, you'll find premium leather seats, heated and cooled options, a third-row seat, and a host of modern tech features such as navigation, Bluetooth, a premium audio system, and a sunroof. Additional amenities like memory seats, keyless entry, and wireless phone charging enhance convenience, while safety features including a backup camera, blind spot monitor, collision warning, and cross traffic alert make every drive safer. This vehicle combines luxury, technology, and performance in a stylish package ready to meet the demands of today's drivers.

The 2015 CADILLAC ESCALADE Safety and Security Features

This Escalade is equipped with essential safety features including front center airbags, front and rear parking sensors, and an anti-theft system with a glass breakage sensor. Its 4-wheel ABS helps maintain control during abrupt stops, complemented by an interior motion sensor and anti-tow sensors to deter theft. Power door locks feature auto-locking and anti-lockout functions, providing added security and peace of mind for owners and passengers alike.

2015 CADILLAC ESCALADE Entertainment and Technology Features

Entertainment and technology are well-represented in this Cadillac with an 8-inch infotainment touchscreen, real-time traffic navigation, and a DVD navigation system. The premium sound system boasts 15 total speakers, including a subwoofer and HD radio, delivering surround sound quality. Voice-operated radio and electronic messaging assistance add convenience, while features like a touch screen display and HD radio ensure modern connectivity. The vehicle also features a surround sound setup, Bluetooth streaming, and compatibility with various media inputs to keep occupants entertained and connected on every journey.

2015 CADILLAC ESCALADE Performance Features

Performance is enhanced with an active suspension system, magnetic suspension control, and rear air suspension that adapt to road conditions for a smooth ride. Driver-adjustable ride control allows customization of driving dynamics, while the self-leveling suspension maintains optimal ride height. The Escalade's part-time 4WD system with on-demand setting, combined with an electronic 4WD selector and rear locking differential, provides excellent traction and stability. Cylinder deactivation technology further improves efficiency without compromising power, making this SUV a balanced choice for both performance and economy.
