2016 BUICK ENCLAVE Leather Vehicle Description

Discover the 2016 Buick Enclave Leather, a stylish used SUV that balances performance, comfort, and advanced features. With a striking red exterior and under 85,000 miles, this vehicle offers a proven 3.6-liter V6 engine generating 288 horsepower at 6300 RPM and 270 lb-ft of torque at 3400 RPM. Its automatic transmission and front-wheel-drive setup deliver smooth handling and reliable everyday driving. Designed for families and those who value space, this Enclave seats seven comfortably and includes a third-row seat, rear A/C, and heated seats to enhance every journey. Modern safety and convenience features like a backup camera, blind spot monitor, Bluetooth connectivity, cross traffic alert, memory seats, and Xenon headlights ensure confidence and comfort on the road. The sleek red exterior complements its well-maintained condition, making it a standout choice for anyone seeking a versatile SUV with notable features.

This used 2016 Buick Enclave also boasts an impressive suite of entertainment and technology features. A 6.5-inch touch screen infotainment system provides easy access to radio, satellite radio readiness, and a voice-operated radio for seamless control. The vehicle is equipped with six speakers, auxiliary USB input, and apps like Pandora and Stitcher, ensuring you stay connected and entertained on every trip. With built-in Wi-Fi hotspot capability, passengers can stay online wherever you go. The combination of these features makes the Enclave an excellent choice for drivers seeking a family-friendly SUV with modern tech comforts and reliable performance.

2016 BUICK ENCLAVE Safety and Security Features

This vehicle is equipped with essential safety features including front airbags centered for added protection, rear parking sensors to assist in tight spots, four-wheel anti-lock braking system (ABS) for controlled stops, and anti-lockout power door locks to prevent accidental locking of keys inside. These safety features work together to provide peace of mind for drivers and passengers alike.

2016 BUICK ENCLAVE Entertainment and Technology Features

Entertainment is prioritized with a voice-operated radio system complemented by a 6.5-inch touchscreen display, making media access straightforward. The vehicle's six speakers deliver clear sound, while the USB auxiliary input allows easy connection of personal devices. Additional features include Pandora and Stitcher internet radio apps, ensuring a variety of listening options during your drive.
