2018 FORD ECOSPORT SE Vehicle Description

Discover the 2018 Ford EcoSport SE, a stylish and versatile SUV ready to elevate your daily drive. With just 43,041 miles on the odometer, this used vehicle offers a reliable, fuel-efficient option with a 1.0-liter turbocharged three-cylinder engine producing 123 horsepower and 125 lb-ft of torque. Its bold red exterior and Ebony Black interior combine to create an eye-catching look that stands out on the road. The EcoSport SE comes equipped with modern features such as Apple CarPlay, Bluetooth connectivity, a backup camera, fog lights, heated seats, keyless entry, push start, satellite radio readiness, and a sunroof/moonroof, making every journey more convenient and enjoyable. The automatic transmission and front-wheel drive ensure smooth handling, making this SUV perfect for city commutes or weekend adventures.

This used Ford EcoSport SE is not just about style and comfort; it also prioritizes safety and security. It features dual front knee airbags for enhanced protection, rear parking sensors to assist with parking, and four-wheel anti-lock brakes for stability. Additional security features include auto-locking power door locks, a programmable safety key, and cornering brake control to improve stability during turns. Power door locks with auto-locking further enhance security, providing peace of mind wherever you go. Whether navigating busy city streets or rural roads, this vehicle offers a well-rounded package of safety features designed to keep you and your passengers protected.

2018 FORD ECOSPORT Safety and Security Features

This vehicle is equipped with dual front knee airbags, rear parking sensors, four-wheel anti-lock brakes, auto-locking power door locks, cornering brake control, anti-lockout power door locks, and a programmable safety key. These features work together to enhance occupant safety and provide added peace of mind during every drive.

2018 FORD ECOSPORT Entertainment and Technology Features

The EcoSport SE offers advanced entertainment and connectivity options, including voice-operated hands-free phone call integration and a voice-operated radio system. The 6.5-inch touchscreen display provides easy access to media and vehicle settings, complemented by in-car apps marketplace integration for added convenience. Electronic messaging assistance, both read and voice-operated, keeps you connected safely on the go. The system features six speakers and a USB auxiliary input, ensuring quality sound and versatile media options.

2018 FORD ECOSPORT Performance Features

Key performance features include auto start/stop technology, which helps improve fuel efficiency and reduce emissions. This feature seamlessly shuts down the engine when stationary and restarts it when needed, enhancing overall driving economy and adding to the vehicle's practicality for daily use.
