2015 HONDA CIVIC EXL Vehicle Description

Experience the perfect blend of reliability and style with this used 2015 Honda Civic EXL Sedan. Featuring a sleek White Orchid Pearl exterior, this vehicle stands out with its elegant design and practical features. Powered by a 1.8-liter four-cylinder engine generating 143 horsepower at 6,500 rpm and 129 lb-ft of torque at 4,300 rpm, it offers smooth, efficient performance. The CVT automatic transmission ensures seamless gear shifts, while front-wheel drive provides confident handling on any road. With just over 57,000 miles, this Civic combines low mileage with Honda's renowned durability, making it a smart choice for daily commuting or weekend getaways. Inside, the cabin comfortably seats five and boasts heated seats for added comfort. Modern conveniences include Bluetooth connectivity, keyless entry, push start, fog lights, and a backup camera with blind spot monitor, enhancing safety and ease of driving.

This used Honda Civic EXL also offers impressive fuel efficiency, delivering up to 30 mpg in the city and 39 mpg on the highway. Its exterior's pristine White Orchid Pearl finish complements the sophisticated yet sporty design. Whether navigating busy city streets or cruising highways, this sedan promises a reliable ride with advanced features that elevate driver confidence and convenience. The well-maintained condition and full suite of technology make it a compelling option for anyone seeking a dependable, stylish vehicle that's ready to serve daily needs.

2015 HONDA CIVIC Safety and Security Features

This Civic prioritizes safety with its 4-wheel ABS system, providing reliable stopping power in diverse driving conditions. Additionally, the vehicle's auto-locking power door locks enhance security by ensuring doors lock automatically when driving, giving peace of mind during daily commutes and longer trips.

2015 HONDA CIVIC Entertainment and Technology Features

Equipped with a 7-inch touchscreen infotainment system, this Civic offers seamless access to entertainment and information. It features a 360-watt audio system with six speakers, delivering clear, immersive sound. The vehicle supports Pandora internet radio, USB auxiliary input, and an electronic messaging assistance system with a read function, keeping drivers connected and entertained effortlessly.
