2023 NISSAN PATHFINDER SL Vehicle Description

Discover this used 2023 Nissan Pathfinder SL SUV, finished in a sleek Gray Sky Pearl exterior complemented by a charcoal interior. With just over 36,000 miles, this versatile vehicle offers a powerful 3.5L V6 engine producing 284 horsepower and 259 lb-ft of torque, paired with a smooth automatic transmission and 4WD for confident handling in any conditions. Designed to seat up to eight passengers, it combines family-friendly space with premium features like adaptive cruise control, Apple CarPlay, a backup camera, blind spot monitor, Bluetooth, collision warning, cross traffic alert, heated seats, keyless entry, lane keep assist, navigation, push start, rear A/C, rear sunshade, satellite radio readiness, and wireless phone charging. Whether running errands or embarking on a family adventure, this Pathfinder SL delivers comfort and technology in a stylish package.

This used 2023 Nissan Pathfinder SL stands out with advanced safety features including rear automatic emergency braking, rear check seat reminder, dual knee airbags, traffic sign recognition, front and rear parking sensors, four-wheel ABS, emergency braking preparation, anti-lockout power door locks, and auto-locking systems. These features enhance safety and security, providing peace of mind for every journey. Built with a focus on protection and driver assistance, it offers a comprehensive safety package that keeps occupants secure in all driving conditions.

2023 NISSAN PATHFINDER Safety and Security Features

This Pathfinder SL is equipped with rear automatic emergency braking, rear check seat reminder, dual knee airbags for front passengers, traffic sign recognition, front and rear parking sensors, four-wheel ABS, emergency braking preparation, anti-lockout power door locks, and auto-locking door systems. These safety features work together to prevent accidents and protect occupants, making it a reliable choice for families and daily drivers alike.

2023 NISSAN PATHFINDER Entertainment and Technology Features

Enjoy a range of technology features including NissanConnect compatibility for smart device app access, voice-operated hands-free phone calls, HD radio, a 9-inch infotainment touchscreen, real-time traffic navigation data, and engine start/cabin preconditioning via smart device app. The system also offers read and voice-operated electronic messaging assistance, providing seamless connectivity and entertainment to keep everyone engaged on the road.

2023 NISSAN PATHFINDER Performance Features

Performance-wise, this Pathfinder SL includes auto start/stop technology for improved efficiency, a Class II trailer hitch for towing capabilities, and on-demand 4WD to adapt to various driving conditions. These features ensure confident handling whether you're commuting, towing, or exploring off-road paths, making this SUV a practical and capable choice.
