2021 JEEP GRAND CHEROKEE LIMITED Vehicle Description

Discover this 2021 Jeep Grand Cherokee Limited, a versatile used SUV designed for both comfort and capability. With just over 108,900 miles, this Black Clear Coat beauty offers a sophisticated look paired with a well-equipped interior featuring black seats and a premium cabin. Powered by a 3.6-liter V6 engine delivering 295 horsepower at 6,400 RPM and 260 lb-ft of torque at 4,000 RPM, it combines robust performance with fuel efficiency—18 mpg city and 25 mpg highway. The automatic transmission and 4WD system ensure confident handling on any terrain, making it ideal for daily driving or weekend adventures. This vehicle is loaded with advanced features like adaptive cruise control, Apple CarPlay, a backup camera, blind spot monitor, Bluetooth, collision warning, cross traffic alert, fog lights, heated seats, keyless entry, memory seats, navigation, parking sensors and assist, push start, satellite radio readiness, sunroof, and a Wi-Fi hotspot. Its stylish black exterior and matching interior create a sleek, modern look, offering 5 comfortable seats for family or guests. As a used vehicle, it provides a great balance of luxury, technology, and performance at an attractive price point.

This Jeep Grand Cherokee Limited is loaded with safety features designed to keep you secure on every journey. It includes automatic emergency braking at the rear, knee airbags for the driver, front parking sensors, rear parking sensors, active head restraints for front passengers, 4-wheel ABS, auto-locking power door locks, brake drying, and hill descent control for off-road confidence. These systems work together to provide peace of mind, whether navigating city streets or tackling rough terrain. With its comprehensive safety package, this SUV is built to protect you and your loved ones, making it a reliable choice for daily driving and off-road adventures alike.

2021 JEEP GRAND CHEROKEE Safety and Security Features

This model offers a robust suite of safety features starting with automatic emergency braking at the rear to help prevent collisions. Knee airbags for the driver provide added protection in case of impact, while front parking sensors assist in tight spaces. Rear parking sensors enhance reversing safety, complemented by active head restraints for front occupants. The vehicle's 4-wheel ABS ensures optimal stopping power, and auto-locking power door locks add security when parked. Brake drying helps maintain braking effectiveness in wet conditions, and hill descent control makes off-road descents safer and more controlled.

2021 JEEP GRAND CHEROKEE Entertainment and Technology Features

The Grand Cherokee Limited is equipped with advanced tech, including SiriusXM Guardian for smart device app compatibility. Hands-free phone calls and radio operation are voice-activated, simplifying driver interaction. The 8.4-inch infotainment touchscreen offers HD radio, real-time traffic updates, and a user-friendly interface. Additional features include engine start and cabin preconditioning via a smartphone app, electronic messaging assistance with voice and read functions, and a responsive, touch-based navigation system that keeps you connected and informed at all times.

2021 JEEP GRAND CHEROKEE Performance Features

Performance-wise, this Jeep features auto start/stop technology to improve efficiency and an electronic high-low 4WD selector for versatile driving modes. It comes with a center locking differential and rear locking differential, enhancing traction when off-road or on challenging surfaces. The on-demand 4WD system allows quick switching between two-wheel and four-wheel drive, giving you control over handling and stability in various conditions. These features ensure the Grand Cherokee Limited delivers capable, confident performance whether on pavement or trail.
