2019 CADILLAC XTS LUXURY Vehicle Description

Experience luxury driving with this 2019 Cadillac XTS Luxury Sedan, a refined choice for those seeking comfort and advanced features. With just under 51,000 miles, this used vehicle offers a sleek Black Raven exterior that exudes sophistication. Powered by a 3.6L V6 engine producing 304 horsepower at 6800 rpm and 264 lb-ft of torque at 5300 rpm, it delivers a smooth, responsive ride. Equipped with an automatic transmission and front-wheel drive, this sedan balances performance with efficiency, averaging 19 mpg in the city and 28 mpg on the highway. Inside, it comfortably seats five and boasts a host of modern conveniences, including Apple CarPlay, Bluetooth, a backup camera, heated front and rear seats, keyless entry, memory seats, navigation, parking sensors and assist, premium audio, push-start ignition, satellite radio readiness, Wi-Fi hotspot, and wireless phone charging. This used Cadillac XTS combines style, technology, and reliability, making it a compelling choice for discerning drivers.

The 2019 Cadillac XTS Safety and Security Features

This model prioritizes safety with premium Brembo brakes and dual front knee airbags, providing essential stopping power and protection. Front and rear parking sensors enhance maneuverability, while an anti-theft system with a glass breakage sensor deters unauthorized access. Four-wheel ABS ensures stable braking under various conditions, complemented by power door locks with anti-lockout and auto-locking functions. A programmable safety key adds security, and brake drying improves performance in wet conditions, ensuring peace of mind on every journey.

The 2019 Cadillac XTS Entertainment and Technology Features

Entertainment and connectivity are at the forefront in this luxury sedan, featuring an advanced navigation system with DVD support and real-time traffic updates. The 8-inch infotainment touchscreen hosts a surround sound system with eight speakers, delivering crisp audio. Voice-operated hands-free phone call integration and radio controls simplify connectivity, while the touch screen display makes accessing features straightforward. Electronic messaging assistance, both read and voice-operated, keeps drivers connected safely, making every drive engaging and convenient.

2019 CADILLAC XTS Performance Features

Performance is enhanced by a rear air suspension and self-leveling system, ensuring a smooth ride regardless of load or road conditions. The pneumatic rear spring type contributes to improved handling and comfort, providing a stable, controlled driving experience. This combination of features underscores Cadillac's commitment to delivering luxury without compromising performance.
